J. C. Arra & Co. Genise I feel it my duty to ack knowledge what your Earsuparilla has done for me. Raving inherited a Scrollous infection, I have suffered from it in various ways for years. Sometimes it burst during inherited a Scrollous infection, I have suffered from it in various ways for years. Sometimes it burst furned inward and distressed me at the stomach. Two years ago it breks out on my head and covered my scalp and ears with one sore, which was paintil and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In lact, the disorder grew worse. At length I was rejoled to tead in the Gospel Messenger that you had prepared an alterntive (Sarsuparilla), for I knew from your reputation that any thing you made must be good. I sent to Checinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a menth, and used almost three bottles. New and healthy skin soon began to form under the seab, which after a while fell off. My skin is now clear, and I know by my feelings that the discuse has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully.

Leucoxrheen or Whites, Ovarlan Tumor,
Utexine Utexation, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes, "I
most cheerfully comply with the request of your agent in
saying I have found your Sarsparilla a most excellent
alterative in the numerous complaints for which we
employ such a remedy, but especially in Fanale Disease
of the Scrotulous distincts. I have cured many invetertic case of Leucorrhone by it, and some where the complaint was caused by utexation of the uterus. The uteration itself was soon cured. Nothing within my knowledge equals it for these female derangements?

Edward S. Marrow, of Newburry, Ala, writes, "A dangrous aversian tumor on one of the females in my family,
which lead defied all the remedies we could employ, has
at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he nativeed the trial of your

no symptom of the disease remains."

Syphilis and Mercurial Disease.

New Orleans, 25th August, 1859.

Dr. J. C. Affer: Sir, I cheerfully comply with the request of your agent, and report to you some of the effect. I have realized with your Sarsapatilla.

I have cured with it, in my prastice, most of the complaints for which it is recommended, and have found its effects tenly wonderful in the cure of Veneral and Mercurial Disease. One of my patients had Syphilitic ulcers in his threat, which were consuming his palate and the top of his mouth. Your Sarsapatilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulces healed, and he is well again, not of course without some distiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this packon in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and hones. She, too, was cured entirely by your Sarsapatilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great romedy; consequently, these truly temakable results with it have not surpised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1859.
Dr. J. C. Ayer: Sir, I have been afflicted with a painful chronic Rheumotism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured ms in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM. attacked. I think it a wonderful medicine. J. FREAM.
Jules Y. Getchell, of St. Louis, writers "I have been
afflicted for yearz with an affection of the Liver, which
destroyed my health. I tried every thing, and every thing,
failed to relieve me; and I have been a broken-down man
for some years from no other cause than derangement of
the Laver. My beloved pastor, the lev. Mr. Elspy, advised
me to try year Surapparilla, because he said he knew you,
and any thing you made was worth trying. By the heasing of field it has cruted me, and has so purified my blood
as to make a new man of me. I fiel young again. The
best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these foundable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

furnish grats to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Neuralgia

Many remarkable cures of these affections have been made by the attentive power of this medicine. It stimulates the disal functions into vigorous action, and thus overcomes desorders which would be supposed beyond its reach. Such a temedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Its unrivalled excellence for coughs and colds, and its truly woulderful cures of pulmonary disease, have made it known thoughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.
