FOR PURIFYING THE BLOOD.

FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints: Sexofine and Servofulous Affections, such as Tampors, Ulcors, Sores, Eruptions, Pimples, Pustules, Blotches, Bells, Blains, and all Skin Diseases.

OALLAND, Ind., 6th June, 1859.

J. C. Afer & Co. Gents: I feel it my duty to acknowledge what your Earspardia has done for me. Having inhesited a Scrothlous infection. I have suffered from it in various ways for years. Sometimes it burst out in Ulers on my head and arms; sometimes it turned inward and distressed me at the stomach. Two years up of iroke out on my head and covered my scalp and ears with one sore, which was painful and lostinome dayond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoined physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alternitive (Samsparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and get it, and used it till it cured me. I took it, as you advise, in small doses of a tesspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the dileases has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully.

Dr. J. B. S. Channing, of New York City, writes, "I most cheerfully comply with the request of your agent in saying I have found your Sarsparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Findle Disease's the Scrothlous diathesis. I have cured many invetertic cases of Leucorheae by it, and some where the complaint was caused by ulceration of the ulcrus. The ulceration field was son cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerous orearen tumor on one of the females in my family, which had ulcful all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extipation could afford relief, but he athiesed the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. Dr. J. C. Aten: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sursapacitla.
I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Teneral and Mercurial Disastes. One of my patients had Syphillite ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sursaparilla, steadily taken, cured him in fits weeks. Another was attacked by secondary symptoms in his mose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sursaparilla: the alcess hested, and he is well again, not of course without some dislightration to his face. A woman who had been irrested for the same disorder by mercury was suffering from this passon in her bours. They had become so sensitive to the wonder that on a damp day she suffered excruciating pain in her joints and hones. She, teo, was cured entirely by your Satsquatilla in a few weeks. I know non its formula, which your agent gave me, that this Prepanation from your laboratory must be a great renedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D. Rheumatalsan, Gout, Liver Complaint. Syphilis and Mercurial Discuse.

INDEFENDENCE, Preston Co., Va., 6th July, 1859.

DR. J. C. AYER: Sir, I have been afflicted with a painful chronic Retemetism for a long time, which laffled the skill of physicians, and stack to me in spite of all the remedies I could find, until I tried your Susaparilla. One bottle cured me in two weeks, and restored my general health so much that I am fur better than before I was attacked. I think it a wonderful medicine. J. FREAM. attacked. I think if a wonderful medicine. J. FREAM.

Jules V. Getchell, of St. Louis, writes: "I have been
afflicted for years with an affection of the Larer, which
destroyed my health. I tried every thing, and every thing
failed to relieve me; and I have been a broken-down man
for some years from no other cause than derangement of
the Larer. My beloved pastor, the Rev. Mr. Espy, advised
me to try your Sarsaparilla, because he said he knew you,
and any timing you made was worth trying. By the blessling of God it has cured me, and has so purified my blood
as to make a new man of me. I feel young again. The
best that car, be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Carles and Exfoliation of the Bones. A great variety of cases have been reported to us where cares of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

furnish graits to all who call for them.

Dyspepsia. Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.

Many remarkable cures of these affections have been made by the afterative power of this medicine. It stimulates the vital functions into vigotous action, and thus overcomes disorders which would be supposed beyond its reach. Such a temedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

of the Disease.

This is a remedy so universally known to surpass any other for the cut of throat and lung complaints, that it is necless has to upublish the evidence of its virtues. Its universalled excellence for coughs and colds, and its truly universalled excellence for coughs and colds, and its truly winderful cuts of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the evoluminities, or even families, among them who have not known personal experience of its effects. who have not some personal experience of its effects— some living trophy in their midst of its victory over the subtle and daugerous disorders of the threat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the vir-tues that it did have when making the cures which have won so strongly upon the confidence of mankind.
