**C. C. HIBBS & CO.,**  
Manufacturers of Pure Corn Vinegar  
ADJOINING ODD FELLOWS HALL,  
SECOND STREET, COLUMBIA, PA.

A **PURE VINEGAR** for Table Use and for Pick-  
ling, equal to any made in this country. This  
vinegar is manufactured under the patent of  
Mr. F. M. Nichols and the "combined certificate" to  
the patentee and to the manufacturer in this place,  
will testify to its purity and quality.  
Mr. F. M. Nichols has examined the sample  
of vinegar which you have sent me, and  
with the view of ascertaining its purity and  
quality, and its strength and capacity. I found  
it to be free from acid and copper, and  
due solely to the natural acid of the vinegar, and  
not to the admixture of any mineral acids. It con-  
tains one-third and a half per cent of pure acetic  
acid, (32 1/2 per cent), which comes up to the strength  
required by the United States Pharmacopoeia.  
Very Respectfully Yours  
S. ARMOR, M. D.

After several months use of the **Corn Vinegar**,  
as prepared by C. C. Hibbs & Co., I find it  
to be an excellent for the table and superior  
in pickling purposes in comparison with most articles  
sold as vinegars. I believe it to be free from any  
article injurious to health.  
W. M. McCORKLE.
