We must refer in terms of culogy to the high tone and varied excellences of Harper's Magazine a journal with a monthly circulation of about 170,000 copiesin whose pages a reto be found some of the choicest light and general reading of the day. Orkiand, Ind., 6th June, 1859.

J. C. Attr. & Co. Gents: I feel it my duty to acknowledge what your Saraparilla has done for me. Having inherited a Scrotchou infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many needleines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Goopel Messenger that you had prepared an altorative (Saraparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnatiand got it, and used it this it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon legan to form under the scab, which after a white fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and temain ever gratefully.

Dr. J. B. S. Channing, of New York City, writes; "I most cheerfully comply with the request of your agent in saving I have found your Sarapatilla a most excellent alterative in the numerous complaints for which we employ such a remely, but especially in Female Diseases of the Scrofulous diathesis. I have cured many invoterate case of Leucorrhea by it, and some where the complaint was caused by ulceration of the ulcrus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Elward S. Marrow, of Newbury, Ala., writes, "A dangerous overfan temor on one of the females in my family, which had defied all the remedies we could omploy, has at length been completely cured by your Extract of Sarsaparille. Our physician thought nothing but extirpation could afford relief, but he addised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Jiccurral Disease.

New Onleans, 25th August, 1859.
Dr. J. C. Attr.: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects. I have realized with your Starapatilla.

Thave cured with it, in my practic, most of the completiats for which it is recommended, and have found its effects truly wonderful in the cane of Vineral Instance, which were consuming his pelate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his mose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sursaparilla, the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poi-on in her bones. They had become so sensitive to the westher that on a damp day she suffered excruciating pain in her joints and hones. Sho, too, was cured entirely by your Sarsapatilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your historatory must be a great remedy; consequently, these truly remarkable results with it have not surplised me.

Rheumatism, Gout, Liver Complaint.

INDERSESSES, Prestou Co., Va., 6th July, 189.

Dr. J. C. Aven: Sir, I have been afflicted with a painful chronic Rheumatins for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and 1-stored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM.

Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my leath. I tried every thing, and every thing failed to releve me; and I have been a hoden-down man for some years from no other cause than derungement of the Liver. My beloved pastor, the Rev. Mr. Expy, adviced me to try years Sarsaparilla, because he said he knew you, and any thing you make was worth nying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that car, be said of you is not half good enough."

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is necless here to publish the evidence of its virtues.
