The Six centra Nameer, Separate Perker, Critical Noices of the Press. We would not so often call attention to Harper's Workig it we were not well satisfied that it is the turn-ity paper published in the United States, and for that reason, and that alone, we desire to see it undermine, and root out a certain kind of literature too prevalent, which blauts the morals of its readers. Wiintes their trace for sensible reading, and is allogether bad in its effects - New London Adterriter. Its freah leaves, its clear type, its entermining va-riety, its severe buil just criticish and not the satisfies of the time-its elegantity writte, and instructive articles, and us hile correspondence, all combine to make it the model newspaper of our comity, and one that every family mustprize. Its condensed weekly sum many of Foreig 1 and Doncetic Intelligence is allo-gether superior to that contained in any other journal. Being published too, in a form tor preservation and binding, if taken care of as it deserves to be, it will be found in future jears as wepone a companyin for the in nity and fireside as the day on which it was first perused.-N.Y Exeming Post.
