WINES, GROCERIES, &c. GEO. TILLE, Agt., most respectfully notifies the public that he has added to his stock of Grocertes, &c., a fine assortment of pure GERMAN WINES.

These Wines are pure—no nonlinerated tra-h—and are suited able to the sick and the well, the strong and the weak. He respectfully solicits a call from tones who need an article of the kind, satisfied that a first will verify his wo d. His stock of GROCERIES

having bean replenished, will be found worthy the attention of everybody—and his wife—who will, occurse, call upon him a their earliest convenience. CORNER OF FIFTH AND UNION STS.

Columbia, Aug. 2-19. The Best, Cheapest, and most Success ful Family Paper in the Union.

HARPER'S WEEKLY. SPLENDIDLY ILLUSTRATED. Price Six conts a number; \$2,50 per year.

A Complete Pictorial History of the Times.

Critical Notices of the Press.

We would not so often call attention to Harper's Weekly if we were not well satisfied that it is the furnity paper published in the United States, and for that reason, and that alone, we desire to see it undermine and root out a certain kind of literature too prevalent, which blunts the mornts of its tracters withtee their thate for sensible readine, and is altogether bud in its effects—New London Advertiser.

Its fresh leaves, its clear type, its entertaining variety, its severe but just criticisms upon the follies of the times, its eleganity writte, and instructive articles, and its able correspondence, all combine to make it the model newappers of our country, and one intain every family most prize. Its condensed weekly summary of Foreig and Domestic Intelligence is altogether superior of that contained it any other journal. Being published too, in a form for preservation and binding, if taken care of us it deserves to be, it will be found in future years us wereome a companion for the faulty and fireside as the day on which it was first perused.—N. Y. Eccning Pest.
