J. C. Ayen & Co. Gents: 1 leel it my duty to acknowledge what your Sarsaparial has done for meliaving inhelited a Scrofulous infection, 1 have suffered from it in various ways for years. Sometimes it burst out in Uters on my hands and arms; sometimes it turned thread and distressed no at the stomach. Two years ago it broke out on my head and covered my scalp and care with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much roller from my thing. In lact, the disorder grew worse. At length I was rejoked to 1 all in the Goopel Messenger that you had prepared an alternative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnal and get it, and used it till it cured me. I took it, as you make, in small dose of a teaspoonful over a month, and used almost three bottles. New and healthy skin son began to form under the seab, which after a while fell off. My skin is now clear, and I know by my feelings that the discase has gone from my system. You can well believe that I feel what I am saying when I tell you that I hold you to be one of the apostles of the age, and remain ever gratefully.

Your Saraparilla, steadily taken, cured him in five weeks. Another was attached by recondary symptoms in his mose, and the ulceration had eaten away a considerable part of it, so that I helieve the disorder would soon teach his brain and kill him. But it yielded to my administration of your Saraparilla: the ulcera healed, and he is well again, not of course without some dissignation to his face. Rheumatiam, Gout, Liver Complaint, Indienson, Preston Co., Va., 6th July, 1869. Dr. J. C. Aviri. Str. I have been afflicted with a painful chronic Rheumatian for a long time, which haffled the skill of physicians, and stack to me in spite of all the remedical could find, until I tried your Suraparilla. One bothe cured me in two weeks, and restored my general health so much that I am far better than before I was stracked. I think it a wonderful medicine. J. FRRAM. Jules Y. Octobell, of St. Louis, writes: "I have been afflicted for years with an affection of the Lucer, which destroyed my health. I tried every thing, and every thing falled to relieve me; and I have been a broken-down man for some years from no other cause than decoupement of the Lucer. My beloved pastor, the live. Mr. Espy, advised me to try your Saraparilla, because he said be krew you, and any thing you made was worth trying. By the blessing of God it has emed me, and has so purified my blood as to make a new man of me. I feel young again. The heat that car, be said of you is not half good enough."

Ayer's Cherry Pectoral TOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitts. Inclpient Con-sumption, and for the Relief of Consumptive Patients

This is a remedy so universally known to surpass any other for the cute of threat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalised excellence for coughs and colds, and its truly wonderful cutes of pulmonary disease, have made it known throughout the civilized antious of the earth. Yew are the communities, or even families, among them who have not some personal experience of its effect—some living trophy in their midst of its victory over the subtle and dangetons disorders of the threat and lungs. As all know the dereddial fatality of these disorders, and as they know, too, the effects of this remely, we need not do more than to assure them that it has now all the victors that it did have when making the cutes which have won so strongly upon the confidence of mankind.
