I tried many neediches and several play science, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Googel Messenger that you had prepared an afterative (Saraparilla), for I knew from your requirement and the stopy of most most be good. I sent to Cincinnatiand got it, and used it fit it cured me. I took by, as you advise, in simil dose of a tenspoonful over a mouth, and used almost three bottles. New and leading skin soon began to form under the weak, which after a while fell off. My skin is now clear, and I know by my feelings that the discase has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully.

Ayer's Cherry Pectoral, FOR THE RAPID CURE OF Coughs. Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Cou-sumption, and for the Relief, of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cuto of threat and lung complaints, that it is uncless hore to publish the evidence of its vitues. Its marvalled axcellence for coughs and colds, and its truly wonderful cutes of pulmonary disease, have made it known throughout the civilized nations of the earth. Few me the sommunities, or even families, among than who have not some personal caperience of its effects who have not some personal experience of its effects— some living trophy in their midst of its victory over the subde and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the vir-tures that it did have when making the cures which have weness strongly upon the confidence of mankind.
