AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD.

FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints:
Scrofula and Scrofulous Affections, such
as Tumors, Ulcers, Sores, Eruptions,
Pimples, Pustules, Blotches, Boils,
Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859.

J. C. Ayer & Co. Gents: I feel it my duty to scknowledge what your Saisaparilla has done for me.
Ilaving inherited a Scrofulous infection, I have suffered
from it in various ways for years. Sometimes it burst
out in Ulcers on my hands and arms; sometimes it
turned inward and distressed me at the stomach. Two
years ago it broke out on my head and covered my scalp
and ears with one soro, which was painful and loatisome
beyond description. I tried many medicines and several
physicians, but willout much rief from any thing. In
lact, the disorder grew worse. At length I was rejoiced
to read in the Gospel Messenger that you had prepared
an alterative (Sarsapanilla), for I knew from your reputation that any thing you made must be good. I sent to
Cincinnation got if, and used it till it cured me. I took
it, as you advise, in smail-desse of a tenspoonful over a
mentil, and used almost three bottles. New and healthy
skin soon began to form under the scab, which after a
while fell off. My skin is now clear, and I know by my
reclings that the disease has gone from my system. You
can well believe that I feel what I am saying when I tell
you, that I hold you to be one of the sposites of the age,
and remain ever gratefully.

Leucorrheen or Whiten, Ovarian Tumor, Uterine Ulceration, Fennale Diseases.
Dr. J. B. S. Chaming, of New York City, writes, "I most cheerfully comply with the request of your agent in saving I have found your Sarsparilla a most excellent illerative in the numerous complaints for which we employ such a remedy, but expectally in Fande Diseases of the Scrotulous diathesis. I have cured many invetor-tie cases of Leucerinea by it, and some where the complaint was caused by decretion of the derus. The theeration itself was soon cured. Nothing within my knowledge equals it for these founds derangenents."

Edward et. Marrow, of Newbury, Ala, writes, "A dangerous overum numor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsapanilla. Our physician thought nothing but extipation could afford relief, but he advised the trial of your Sarsapanilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

New Orllans, 23th August, 1562.

Dr. J. C. Ayer: Sir. I cheerfully comply with the request of your agent, and report to you some of the effects I have resilized with your Sarsaparilla.

I have cured with it, in any practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Francet and Mercurial Disease. One of my patients had Syphilitic ulcres in his throat, which were consuming his palate and the top of his month. Your Sarsaparilla, steadily taken, cured him in the weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had caten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcres beside, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this paken in her bones. They had become so sensitive to the weather that on a damp day she suffered excuelating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must he a great romedy; consequently, these truly remarkable results with it have not surprised no.

Fraternally yours,

Rheumatism, Gout, Liver Complaint. INDEFENDENCE, Presson Co., Va., 6th July, 1859.

Dr. J. C. Aven: Sir, I have been afflicted with a painful chronic Rheumaian for a long time, which beffied tho skill of physicians, and stuck to me in spite of all the remodical could find, until I title your Seraparilla. One bottle cured me in two weeks, and restered my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM. attacked. I think it a wonderful medicine. J. FREAM. Jules V. Getchell, of St. Louis, writes: "I have been stilleted for years with an offiction of the Liver, which distroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man fur some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Expy, advised me to try your Sursaparilla, because he said he knew you, and any thing you nade was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

A great variety of cases have been reported to us where curse of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them. furnish gratis to all who call for them.

Dyspepsia. Heart Disease, Fits, Epilepsy, Mclancholy, Neuralgia.

Many remarkable cures of these affections have been made by the alterative power of this medicine. It atimulates the viral functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necresities of the people, and we are confident that this will do for them all that medicine can do.

Coughs, Colds, Influenza, Hoarseness, Group, Bronchitis, Incipient Com-sumption, and for the Relief, of Consumptive Patients in advanced Stages of the Disease. This is a remedy so universally known to surpass any other for the cure of theat and lung domplaints, that it is necless here to publish the evidence of its virtues. Als unrivalled excellence for coughs and colds, and its trally wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the threat and lung. At all know the dreadful faislity of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the curse which have won so strongly upon the confidence of mankind.
