A LECTURE FOR YOUNG MEN.

Just published, a new edition of Dr. Culverwell's celebrated essay on the radical cure (without medicine) of Spormatorrhea or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc.; also, Consumption, Epilepsy and Fits, induced by self-indulgence or soxual extravagance.

travagance.

23 Price, in a scaled envelope, only 6 cents.

The celebrated author in this admirable essay clearly demonstrates, from a thirty years successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife—pointing out a mode of cure, at once simple, certain and effectual, by means of which every sufferer, no mutter what his condition may be, may cure himself chesply, privately, and radically.

25 This Lecture should be in the bands of every youth and every man in the land. Sent, under seal, in a plain envelope, to any address, post-paid, on receipt of six cents, or two post stamps. Address the publishers. CHAS. J. C. KLINE & Co., 127 Bowery, New York, Sept. 19, 63-1y.

DR. MARKLEY'S

Family Remedies Triumphant They perform the most astounding cures.

READ! READ!!

BE PERMANENTLY CURED! BE PREMANENTLY CURED!

FIRE great superiority of Dr. Markley's popular and well tried family medicines is traced to the fact that they search out and eradicate the cause of disease, and hence never fail to effect a permanent cure. They not only restore tone to the digestive or gains, imparting a healthy action to the stomach, liver and bowels, but they thoroughly purify the blood, thus permanently curing the disease by destroying the foundation.

ation. A CASE IN POINT.

On the 27th of January, 1860, Mr. D. S.
Moore, of Grempian Hills, Clearfield co.,
Pa., wrote that he was induced by the
numerous testimonials he had seen of the
curse effected by Dr. Markley's medicines,
to apply in behalf of a sister, whose case
he thus described:

** * For the last six years she
has been suffering from Scrotula and
White Swelling. In 1854 she suffered severe pain in one of her legs, attended with
swelling, which extended from the knee to
the hip. In about two months it broke out
and discharged, and has continued to do
so until the present time. On one occasion
a piece of hone three inches in length, and
at another time one of a smaller size, came
out. Her knee has been stiff for three
years, and at times the pain is very severe. * * * * *

Certificate of Mr. Abner D Campbell, of the firm of Campbell & Marshall, boot and shoe dealers, Centre Square, Lancaster:

Lancaster, Pa., March 4, 1863.

Dr. G. H. Markley—Dear Sir: It affords me much pleasure to have an opportunity to add my testimony in favor of your popular family medicines, especially as my knowledge of their efficacy is based upon personal experience in my own case and observation of my neighbors. For many years I was the victim of Dyspepsia in its most aggravated form; my system having become so deranged and debilitated, that I was unable to perform any kind of labor. I had resorted to the best doctors within reach, without relief. I used some of the most popular remedies of the day, recommended for that disease, but none of them did me any good. My suffering from the same disease, but they could not be described in words. I was then living at Hopewell, Chester county, and in 1857, as a last resort, I commenced the use of your medicines. They soon afforded me relief from the most painful symptoms, which I had scarcely hoped to obtain; and in a surpassingly short time I was completely restored to health, and I have enjoyed the best of health ever since—not a symptom of my old complaint remaining. Since then I have always keptyour medicines in my family, and would not be without them upon any consideration, as they have never failed to do what you claim for them.

While still living at Hopewell, I became agent for your father, and sold a large quantity of the medicine for him, and all who used them were loud in their praise. A child of Mr. Pickering, of Hopewell, was afflicted with White Swelling in the knee. It was a very bad one ! He used your Italsam Febrifuge and Black Ointment, which effected a perfect cure. Numerous other vases of cures effected by your valuable remedies in that neighborhood, coaled-be-sammerated if desired. I have seen enough of them to justify me in saying that your fa

IMPORTANT TO FARMERS AND PROPERTY HOLDERS.

THOSE who desire to improve and beautify their farms or homes, and avoid being imposed upon by irresponsible agents, in receiving that which they did not buy, and paving two prices for what they receive, will find it to their advantage to call at the well known and well established and examine the stock, and also, compare the prices with those of other establishments. We offer Apple and Peach trees at about one-half the prices of other Narseries who supply this section of country with trees, Also all other fruit and ornamental trees, Shrubbery, Roses, Green and Hothouse plants, &c., at a much lower figure than any other reliable Nursery in this vicinity. We have over 25,000 Apple trees of suitable size for planting, from three to seven years old, comprising all the leading varieties, the choicest new western varieties included, also affew extra, new varieties collected from seedling trees by ourselves, which are now offered for sale, for the first time. They need no other recommendation for the desirable quality of their fruits than this: Four years ago we exhibited nine varieties of Apples at the Lancaster Co. Fair, which took the first premium. Seven of those varieties were fruit of the original (supposed to be) seedling trees, from which the stock we now offer for sale were propegated from. Mr. J. B. Garber, of West Hemphield township, was a member of the Fruit Committee that awarded premiums to the new fruits.

and Great Austin strawberry varieties, the fruit of which is of exquisite flavor and manufacti proportions. To the identifiers of the beautiful we offer some novelties in the way of several new and novel varieties in Roses and Verbenies.

Our stock of Roses comprise about 150 varieties, supposed to be the choicest collection in the State. It has been materially enriched, of late, by importation from France and Germany. A new and commodeous Green-house, creeted this season, is now tilled entirely with choice Roses and Verbenias. We charge nothing for a sight, and cordially envite all to call and see our stock. Nearly every thing is kept here that can be found in any nursery in the country.
