A CASE IN POINT. On the 27th of January, 1860, Mr. D. S. Moore, of Grampian Hills, Clearfield co., Pa., wrote that he was induced by the numerous testimonials he had seen of the cures effected by Dr. Markley's medicines, to apply in behalf of a sister, whose case he thus described: \* \* " "For the last six years she has been suffering from Scrotula and White Swelling. In 1854 she suffered se-vere pain in one of her legs, attended with swelling, which extended from the knee to the hip. In about two months it broke out and discharged, and has continued to do so until the present time. On one occasion a piece of borne three inches in length, and at another time one of a smaller size, came out. Her knee has been stiff for three years, and at times the pain is very se-vere. \* \* \*

LANCASTER, Pa., March 4, 1863, Dr. G. H. MARKLEY-Dear Sir: 11 af-fords me much pleasure to have an oppor-tunity to add my testimony in favor of your popular family medicines, especially as my knowledge of their efficacy is based upon personal experience in my own case and observation of my neighbors. For i many years I was the victim of Dyspepsia in its most aggravated form; my system having become so deranged and debili-tated, that I was unable to perform any kind of labor. I had resorted to the best doctors within reach, without relief. I used some of the most popular remedies of the day, recommended for that disease, but none of them did me any good. My suf-foring can be understood by any one suf-fering from the same disease, but they could not be described in words. I was then living at Hopewell, Chester county, and in 1857, as a last resort, I commenced the use of your medicines. They soon af-forded me reflet from the most painful symptons, which I had scarcely hoped to obtain; and in a surpassingly short time I was completely restored to health, and I have enjoyed the best of health ever since -mot a symptom of nuy old complaint re-maining. Since then I have alwavs keent -not a symptom of my old complaint re-maining. Since then I have always kept
