Dr. C. MJackson:—Dear Sir:—Personal experience enables me to say that I regard the German Bitters prepared by you as a most excellent medicine. In cases of severe cold and general debility I have been greatly benefited by the use of the Bittors, and doubt not they will produce similar effects on others.

Yours, truly, WARREN RANDOLPH.

READ WHO SAYE SO:

From the Rev. Levi G. Burk, Pastor of the Baptist Church, Pemberton; N. J., formerly of the North Baptist Church, Philadelphia. I have known Hoofands's German Bit-I have known Hoofands's German Bliters favorably for number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention to those afflicted with the diseases for which they are recommended to these Bitters, knowing from experience that my recommendation will be sustained. I do this cheerfally as Hoofland's Bitters is intended to benefit the afflicted, "not a rum drink,"

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge and Christian Chronicle Philadelphia.

Although not disposed to favor of recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of, others.

may thus contribute to the benefit of others.

I do this more readily in regard to Hoofland's German Bitters, prepared by Dr C M Jackson, this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemaker, Esq., for the removalof this prejudice by propartational for oncouragement to try them whom suffering from great and long continued debdity. The use of three bottles of these bitters at the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not falt for aix monthsbefore, and had almostdespaired of regaining. I therefore thank God and my friend for directing me to the them.
