READ WHO SAYE SO:

From the Rec. Levi G. Burk, Paster of the Baptist Church, Penberton, N. J., formerly of the North Baptist Church, Philadelphia. I have known Hooflands's German Bit-ters favorably for a number of years. I have ters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention to those afflicted with the diseases for which they are recommended to these Bitters, knowing from experience that my recommendation will be sustained. I do this cheerfully as Hoofland's Bitters is intended to benefit the afflicted, "not a rum drink."

LEVI G. BECK. From Rev. J. Newton Brown, D. D., Edi-

I do this more readily in regard to Hoof-I do this more readily in regard to Hoofland's German Bitters, prepared by Dr C
M Jackson, this city, because I was prejudiced against them for many years, under
the impression that they ware chiefly
an alcoholic mixture. I am indebted to my
friend, Robert Shoemaker, Esq., for the
removalof this prejudice by propertests and
for ing from great and long continued debility.
The use of three bottles of these bitters at
the present year, was followed by evident
and mental vigor, which I may not be a
six months before, and had almost despared
of regaining. I therefore thank God and
my friend for directing me to use them,

Dr. C. M Jackson:—Dear Sir:—Personal experience enables me to say that I regard the German Bitters prepared by you as a most excellent medicine. In cases of severe cold and general debility I have been greatly benefited by the use of the Bitters, and doubt not they will produce similar effects on others.

From the Rev. Thos. Winter, Pastor of Roxborough Baptist Church.

Dr. Jackson:—Dear Sir:—I feel it due to your excellent preparation, Hoofland German Bitters, to add my teetimony to the deserved reputation it has obtained. I have for years at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters. I did so and have experienced great and unexpected relief; my health has been very materially benitted. I confidently recommend the article where I meet with cases similar to my own, and have been seaured by many of their good effects. Respectfully yours, T. WINTEEL Roxborough, Pa.
