the short curve and through the tunnel, it came in contact with a freight train stand- ing on the track. The speed at which the train was running caused a complete smash up of five loaded freight cars, and the de- struction of the engine, which was thrown some ten feet from the track, on a stone pile. The engineer stuck to the engine to the last, but received no injury: The cause of the disaster was owing to the flagman, who neglected his duty in not going to the rear of his train, and warning the approach- ing train by giving them a signal to stop. The mail train east was detained some two hours by the accident. INFROVINGWe see that the conscience of some persons in Columbia is being brought to a sense of duty. Last week we upoke of the bad pavements with which our torn is disfigured, but this week have the phasure of nour evening strolls" that improve thas made a beginning at the corner of Front and Locust streets	1984, at 9 o'clock, A. M. Six male and six female teachers are required; one of the males to be Principal. Onetencher wanted for Colored school. No one not holding a professional certificate will be employed, unless examined publicly in the District on that day, in presence of the Directors. No teacher will be allowed to pursue the study of the law, medicine or divinity, dur- ing theschoolterm. These undergoing the bestexamination will be prefered, and paid according to merit. The term will be from October First to April First, and the High schools may be continued to July First. Samuel Sheeh, Samuel Grove, Jascph M. Watts, Janet Barber. Columbia, June 25th, 18642t.
