THE WORLD CHALLENGED.—Mr. Jesse Boyer has shown us a pair of boots, of his own manufacture which he challenges the world to beat.

TO CORRESPONDENTS.—Communications, letters, contributions, generally of merit and interest to the reader, will be acceptable from friends from all quarters.

H. S. H.—Yours were received all right, and the receipt goes with this mail. May you never want for the requisite.

J. H. & Co.—We have taken the advertisements out. Send balance due.

J. A. R.—Glad to hear from you again. You pay in a great compliment, and we assure you it is kindly appreciated.

M. B.—We cannot permit anything of the kind. What an elastic conscience you have.

MABEL.—The poem you sent us, we think was published in Godley's Lady's Book, about four years since. Was it not?

S. W. M.—We cannot make head north out of your—ketch; you must have drunk when you wrote it. Was it not the poet who said he would write a ketch if you say so, as you did not enclose stamps to pre-pay postage.

TRIPLET.—We have received the MSS.—has not had time to examine it yet. We wonder at your long silence, but we forgive you, of course.

DECLINED.—"To Miss M. E. L." better send it to her address in the "Apprentice," "To a Soldier," "Letter from Pittsburgh."

WANTED.—An apprentice to the printing business. Apply at this Office.

CONTINENTAL.—"Bowers" of the old Continental has been remodeling his saloon. There is now a vestibule and private office, and the floor is covered with a rich velvet carpet.

RASPBERRIES.—We have received from Wm. Patton, Esq., some of the finest raspberries we have ever seen. They are large in size, of a dark red color, and exquisite flavor.

ICE CREAM.—The lovers of this luxury will be pleased to learn that Mrs. Shuman, Front street above Walnut, keeps a superior article—evidence of this fact, is, that those who buy there are always sure to go back.

THE AMERICAN AGRICULTURIST.—The American Agriculturist for July has just made its appearance. This number is profusely illustrated, and contains original matter, interesting to the husbandman; it also contains a letter from its editor, who is an agent of the Sanitary Commission, at White House, Va. Orange Juice, publisher, 41 Park Row, New York.

HUSBANDRY.—Farmers who make the most rapid improvement in husbandry, are likely to be those who read most on the subject of their vocation. For the man who reads little, no matter how always there will be little to think little, and with a reference to tradition received from former generations, or else in limitation of what is going on around them. There is always hope of a man who loves reading, study and reflection.

ATLANTIC MONTHLY.—With this, the July number of the Atlantic Monthly, begins the fourteenth volume. This is a superb number, and is an index of what the conductors of the Atlantic hope to present constantly to their readers. We do not hesitate in saying that the Atlantic is one of the best literary magazines published on this continent, and has the best corps of contributors. The subscription price is \$3.00 per year in advance. Ticknor & Fields, publishers, 135 Washington street Boston.

CHILDREN DROWNED.—Two colored girls aged respectively 10 and 11 years, daughters of Benj. Jones, and Elizabeth Carter, while playing on the rafts opposite the new rolling mill, on Saturday last, fell into the river and were drowned. Their bodies were not recovered till Monday morning. The coroner's jury rendered a verdict of accidental drowning.

REFRIGERATORS.

The only method for preserving by means of ice, free from the influence of damp air. WILSON'S Patent Air-Circulating Refrigerators.

IT is an acknowledged fact that articles of food placed in a sufficiently cold atmosphere, free from moisture and damp air, can be effectually preserved for indefinite periods during the warmest weather.

MEATS, FISH, MILK, FRUITS, &c., are preserved in a fresh and natural state for as long as may be required, with a consumption of ice not more than any other Refrigerator made. They are undoubtedly the best ever introduced.

Especially attention is called to our DAIRY REFRIGERATORS, made to order expressly for this purpose. Where they are in use they save many times their cost in one season.

REFRIGERATOR FOR SALE.—One of Wilson's Patent Air-circulating Refrigerators is for sale at this office.

FROM THE BROT. PENNA. RESERVES.—The following persons from this place who were enlisted in company "K," Fifth Regiment, Penna. Reserves, were killed and wounded, since the army has gone south of the James river.

Just received.—Shreiner & Sporing have just received at their Jewelry store in Front street, the largest and cheapest assortment of Pocket-books, Ladies' Purse and Traveling Satchels, ever received in Columbia.

TAKEN PRISONER.—William Gimmel of this town, belonging to the 1st Regiment, P. V., who has been missing since the title of the "Wilderness," is, we learn a prisoner in Richmond.

SUNDAY TRAIN.—Some of the Reading papers strongly recommend a Sunday train on the Reading and Columbia Railroad. We think it would work admirably. What say you, Mr. Crane?

SOLD HIS FARM.—Mr. John W. Clark of Marlita, has sold his farm, containing two hundred acres, to James Duffy of the same place, for \$94,500.

MARRIED.—On June 29th, ult., at the residence of the bride's uncle, Mr. Samuel R. Gorman, by G. G. Tolson, Esq., Mr. J. W. Gorman, son of Franklin, Pa., to Miss Annie D. Ricestraw, of Lancaster, Pa.

DIED.—Deaths and marriages are published in this paper free of charge, and obituaries by contract. Whether prose or poetry, five cents per line will be charged. Payable in advance.

In Columbia on the 27th ult., of heart disease, MICHAEL RICKARD, aged 43 years.

In Emory Hospital, Washington, D. C., on the 8th of June last, HOWARD W. VAUGHN, of company K, 4th Regiment Penna. Vol., aged 20 years.

At the commencement of the rebellion, it was his great desire to enter the service, being so young his mother remonstrated with him—told him of the uncertainty of life in the field, and that he could not encounter its privations, or endure the fatigues incident to the life of a soldier.

He was wounded in the leg, in that terrible battle at Cold Harbor, on the 4th of June, and which was amputated above the knee, on the field, by Surgeon Crist of his regiment. He seemed to be getting along finely, and was in good spirits. The army changed its position, and it became necessary to send the wounded to Washington, where he arrived on the 7th of June and died the next day. Wrapped in the folds of the stars and stripes, the glorious emblem of his country, Howard now sleeps in a patriot's grave. He yielded up his spirit in the confidence of getting a better country—so weep not, friends, parents and children, for the deceased. His life was one of brightness, and he nobly consecrated himself to his country's cause, and shed his blood on the field of battle for the nation's integrity.

READ WHO SAYS SO: From the Rev. Levi G. Beck, Pastor of the Baptist Church, Penna., formerly of the North Baptist Church, Philadelphia.

I have known Hoopland's German Bitters for many years. They have been used in my own family, and have been so pleased with their effects that I have induced my friends to use them. I have been struck by their beneficial effects. I take great pleasure in thus publicly proclaiming their merit, and calling the attention of those who are afflicted with the diseases they are recommended to these Bitters, knowing from experience that my recommendation will be sustained. I do this cheerfully as Hoopland's Bitters are sold to benefit the afflicted, "not a run drink."

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge and Christian Chronicle, Philadelphia. Although not a medical man, I have used them in my own family, and have been so pleased with their effects that I have induced my friends to use them. I have been struck by their beneficial effects. I take great pleasure in thus publicly proclaiming their merit, and calling the attention of those who are afflicted with the diseases they are recommended to these Bitters, knowing from experience that my recommendation will be sustained. I do this cheerfully as Hoopland's Bitters are sold to benefit the afflicted, "not a run drink."

From Rev. J. II Kennard, Pastor of the 20th Baptist Church, Philadelphia. Dr. Jackson's—Dear Sir:—I have been frequently requested to connect my name with commendations of the different kinds of medicines and regarding the same, I have of my own free will, and for the sake of the impression that they have produced in various instances, and particularly in my family, of the usefulness of Hoopland's German Bitters, depart for one from my usual course, to express my full conviction that, for general debility of the system, and for all the diseases of the stomach, it will be very beneficial to those who suffer from the above-named diseases.

From Rev. Warren Randolph, Pastor of the 10th Baptist Church, Germantown, Penna. Dr. C. M. Jackson, this city, because I was prejudiced against them for many years, and under the impression that they were chiefly an alcoholic mixture. I am indebted to my friends for procuring a supply of Hoopland's German Bitters, and for trying them. The use of three bottles of these Bitters at the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not enjoyed in six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to them. LEVI G. BECK.

From Rev. J. II Turner, Pastor of Hedding St. Church, Phila. Dr. Jackson's—Dear Sir:—Having used your German Bitters in my family frequently, I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system it is the safest and most valuable remedy of which I have any knowledge. Yours, respectfully, J. H. TURNER, No. 726 N. Nineteenth Street.

From Rev. Thos. Winter, Pastor of Roxborough Baptist Church. Dr. Jackson's—Dear Sir:—I feel it due to your excellent preparation, Hoopland's German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years at times, been troubled with great disorder in my head and nervous system. I have had many remedies tried, and have never experienced great and unexpected relief, my health has been very much benefited. I am confident that the Bitters are the article where I meet with cases similar to my own, and have been assured by many of their good effects in the last few years. R. WINTNER, Roxborough, Pa.

From Rev. J. S. Herman, of the German Reformed Church, Kutztown, Berks Co., Pa. Dr. C. M. Jackson's—Dear Sir:—I have been troubled with Dyspepsia nearly twenty years, and have never used any medicine that did me as much good as Hoopland's Bitters. I am very much improved in health, after having taken five bottles. Yours, with respect, J. S. HERMAN.
