with applause.

At the entrance to the grounds is the fishond and water-works of J. B. Tschudy, esq. They are quite a novelty, and attracted great attention. They must be seen to be appreciated. The Litiz Springs are destined to be the greatest place of resort in the country. For beauty, health and magnificent scenery, we think they are unequaled. Mr. Lichtenthaler, who and magnificent scenery; we think they are unequaled. Mr. Lichtenthaler, who certainly knows "how to keep a hotel," has just finished a new and spacious building adjoining the old one. It was formerly known as the "Wabank House," and is a large and spacious hotel, capable of accommodating several hundred persons, and has more the appearance of home and comfort than any house we have been in for a long while. The fare is unexceptionable, consisting of all the delicacies of the season.

Best TONIC in the WORLD?

READ WHO SAYE SO:

From the Rev. Levi G. Burk, Pastor of the Baptist Church, Pemberton, N. J., formerly of the North Baptist Church, Philadelphia.

I have known Hoofands's German Bitters favorably for an umber of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention tentose afflicted with the diseases for which they are recommended to these Bitters, knowing from experience that my recommendation will be sustained. I do this cheerfully as Hoofand's Bitters is intended to benefit the afflicted, "not a rum drink."

LEVI G. BECK:

I do this more readily in regard to Hooff I do this more readily in regard to Hoof-land's German Bitters, prepared by Dr. C. M. Jacksen, this city, because I was prejudiced against them for many, years, under the impression that they were chiefly an alcoholic mixture. I am indebtedto my friend, Robert Shoemaker, Esq., for the removal of this prejudice by propertest and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these litters, at the present year, was no nowed by cyntact.
