Well known and much respected among the German population in this country, makes the following statement for the benefit of the afflicted:

HANOVER, Pa., Feb. 16, 1859.

Dear Sive: Having realized in my family important benefits from the use of your valuable preparation—Wistar's Balsam of Wild Cherry—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case, made frequentuse of your individual case, made frequentuse of your valuable medicine, and have also been benefitted by it. JACOB SECHLER. been july9'64.
