doing Provost Guard duty at City Point, lost five men killed and twenty wounded. Pieces of shot and shell were blown over Corps Hospitals a mile to the rear of City Point, and parties one hundred yards away from the scene were killed by the falling pieces of shells.

The keel of one of the barges was thrown up a hill forty feet high, where

it remains. Nearly all of the buildings it remains. Nearly all of the buildings near the wharf were demolished, and some four hundred feet of a new warehouse was destroyed. The office of Adams' Ex-press Company is a complete wreck; but the employees of the company, who were in the building at the time of explosion, escaped unharmed. Many of the officers and men of the Commissary Department are missing, and

Commissary Department are missing, and supposed to be killed but their names have not been ascertained.

Col. Babcock, of Gen. Grant's staff, was slightly wounded, and Dr. Prentiss, of the 73d New York, had his left foot injured. A Mr. Baxter, a sutler at City Point, is among the killed.

The explosion is said to have shaken the earth for miles around, and for a time caused the greatest consternation. Many of the buildings on the wharf at

City Point are a mass of ruins, and the amount of loss in property will be very heavy.

It was a fortunate circumstance that the mail boat which arrived here vesterday morning, had left City Point before the explosion took place, otherwise the loss of life would have been greater, as he had on board a large number of pas-

Court Proclamation.

show that the accident of age and infirm ity did not quench your patriotism, but that voluntarily you sent to the field an able-bodied man to fight the good fight for you. If you have large means, and your patriotism approximates in intensity to that high standard, when once upon a time men pledged their "lives, their liberty, and their sacred honor," let your wife or your daughter also have their representatives in the arm'os of the nation. Or if, by the fortunes of war, death has swept from your hearthstone one whose name you would ever honor. create in the name of that lost one, a living monument in the person of another soldier, whose services you dedicate to the great cause, and thus converste anew. upon the altar of freedom, him, whose glorious memory you would commemorate.

In this great struggle there is ample rebels fied in confusion. room for the exercise of every holy, every beautiful and political sentiment which belongs to human character, and growing out of these, will gather a thousand tender recollections of this war, whose kindly influence will not be lost upon coming generations.
