W.-Your communication was re-caired toolate for publication in this week's paper. "The ticket man" had no right whatever to question you. It is not his business to know who the tickets are for, or who rides on them. So that he gets the money for all that he sells, is all that is required.-He should have given you the ticket at once and no questions asked.

The should have given you the device at once inter the phone asked.
B. — You ask: "why we did not notice the phoned which was posted up in our Borough a short time since?" We will tell you. The ignorant, cowardly.contemptable, bloated.oily.faced black-guard and cilifying lar is already reduced so low that it would be meanness in us to notice him; neither do we wish to have anything to do with such a base and degrading unclean thing." His presence is stench, his breath is poison, and his touch is loper row. He used to practice somannultism, though at midnight, we believe he was wide-awake when he posted the placard, which may be seen at our office, together with specimens of his original and disguised writings. "They are rich." The composition is elegant, and his orthography beautifut.

DAUNUM.—While in New York a short time since, we p 11 a visit to Barnum's Museum one of the most popular places of resort, instruction and anusement in the United States. It combines novelty with usefulness, and is not only a place of amusement, but a school of instruction — One might read books for years without deriving as much practical knowledge of Bogle, Bruner, Wisler, Sourbeer, Wilson them as can be acquired there in one afternoon or evening. Barnum is in this sense a public benefactor, and the liberal encourngement bestowed upon his efforts by the community is proof positive of their high appreciation of them.

SURETY OF THE PEACE .--- Jacob Miller, colored, was brought before Justice Evans, by Constable McGinnis, on Saturday evening last. Miss Ann Russell, a fair damsel, was the injured party, who testified that Jacob did, with "malice prepense," point a shot gun at her, acconipanled with we thread the contents' thereof into a "crowd of Indies" of which the fair damsel aforesaid was one. Stones were thrown, but it did not appear that the said Miller threw them. He was ordered to give half for his good behavior until the third Monday in November next.

ASSAULT AND BATTERY .--- On com plaint of A. Henry, Martha Brown was brought before Justice Evans, for committing an Assault and Battery on complainant on the evening of the 19th inst.,

It seems there was a free and easy dance at Ned Parkers in "Sawneytown" on Friday evening last, at which the ethiopean courtesans of the classic ground of "tow hill" turned out en masse. Late in the evening a general fight took place in which several persons were badly injured. The complainant in this case seemed to be the most culpable, and accordingly was committed to the County Jail for twenty days.

NEW PUBLICATIONS .- Harpers, Godeys Arthur's, Leslies' and Atlantic Monthly for September, together with all the new publications of the day are for sale at the

book store of Wm. U. Hess. FREDERICK LAUER .--- The great Ale and Beer brewer of Reading, Pa., has just received a boat load of Canada barley, malt, old stock, containing \$3511 bushels, a- Waistcoat, besides a large colored fashion mounting to \$20,000. Three years ago the plate, showing eight different styles of same stock could have been bought for dress together with numerous figures.dialess than \$8000.

REPRESENTATIVE RECRUIT .-- On Satsale. urday last, our esteemed and worthy citizen, Sanuel Shoch, put a representative recruit in line-of-battle. He has the honor of being first on the list in this Congressional District. Such conduct deserves the

highest praise from all loyal citizens. ARTHUR'S HOME MAGAZINE .- Ar thur was always a favorite with us. The September number before us, is, as usual filled with interesting matter for both sexes. J NEWTON BROWN, PHILA. From the Rev. Jos. H Kennard, Pastor of the 10th Baptist Church Dr. Jackson:-Dear Sir:-I have been frequently resquested to connect my name with commendations of different kinds of medicines butregarding the practice as out of my appropriate sphere. I have in all cases declined; but with a clear proof in various instances, and particularly in my family. of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full con-viction that, for general debility of the sys-tem and especially for Liver Completin, it is a safe and valuble preparation. In some cases it may fail; but mually, I doubt not, it will be very beneficial to those who suf-for from the above cause. Yours, very respectfully, Eighth below Coates Street, Philadelphia. From Eav.
