This victory is one well calculated to fill every loyal heart with joy, as it is one step further towards wiping out this infernal rebellion.

ASSAULT AND BATTERY .- Lawrence Smith, keeper of a Hotel in "Fish town" was brought before Samuel Evans Esq., by Constable McGinnis, for committing a violent assulpand battery on Evan Minward on the night of the 10th inst. We understand that the complainant and a number of other Welshmen have been in the habit of frequenting Smith's and taking a social-glass together, upon this occasion it seems that Smith made Millward drunk and then pushed him out of the house, and struck him with some hard instrument making a very ugly cut in the back of his head. Mr. Smith was bound over for his appearance at November Session to answer.

OUT OF THE DRAFT .-- Our citizens liable to shoulder the musket, can now breathe easy, as Columbia has nobly done her duty and sent ninety-one able-bodied men to aid in putting the finishing touch to the rebellion. The Town Council, and especially the part forming the Recruiting Committee, cortainly deserve much praise for their zealous efforts in preventing a draft. When the call was inade for troops, a great many scouted the would prove a failure, the result proves that anything can be accomplished when energetic men put their shoulder to the wheel. Something must come or a breakup will be the consequence, especially when we have such men at the helm as A. Bruner and DeNegre. Also Col. Philip Gossler, T. R. Supplee, Hiram Wilson, James McGinnis, Harry Brandt and other gallant chiefs deserve the commendations of all loyal people for having done so nobly clared elected. in spending their time and money to accomplish the work of clearing this district of a draft.
