Recruiting in Philadelphia. The quota of Philadelphia and vicinity will be filled without delay. So handsome is the bounty that people who perhaps never thought of bearing arms are taking the field. We are now obtaining splendid material. Mon of intelligence and culture are comin forward into the ranks. An illustration may not be inapt. A wealthy citizen has been supplied with butter twice a week by a young farmer on the edge of Philadelphia county. He came yesterday to the house with his butter, received his pay, and asked an interview with the head of the household. The gentleman complied with the request, and the young agriculturist entered the parlor.

"I just wished to thank you sir, for your custom for these three years, and Best TONIC in the WORLD. to say that after to-day I cannot longer serve you."

"I'm sorry for that. Your butter and eggs have always been very fine. What's the matter?"

- " I've enlisted, sir."
- " Enlisted?"
- "Yes, sir. A mortgage of eleven hundred dollars has been hanging over my place. I purchased it from a lady-Mrs. B."
- "Yes, I know her very well."

"Well, sir, she holds the mortgage. She offered last saturday, if I would enlist as a representative substitute for her; and transfer my bounty to her, she would cancel the mortgage and present my wife with two hundred and fifty dollars in green backs."

" And you accepted the offer?"

"Indeed I did, most gladly. I go for one year. I come back with a farm clear of incumbrance. My wife and boy can take care of it for a year. My pay will keep me, and my family can live without me at least for that time. Besides, I am glad to go. I wanted to go all along, but couldn't leave my folks."

"And you are glad to go?"

I have known Hooflands's German Bitters favorably for a number of years. I have used them in my own family, and lave been so pleased with their effects that was induced to recommend them to many was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention to those afflicted with the diseases for which they are recommended to these Bitters knowing from experience that my recommendation will be sustained.
