THE RIVER .- The late cold weather has had the effect of closing the river, and it is now completely ice-bound from shore to shore, so that pedestrians can walk across with safety.

Excursion .- We understand that arrangements are being made to run an excursion train over the Rending & Columbla R. R. about Christmas. As Christmas comes on Sunday, the excursion will take place on the 24th and 26th insts.

Officers Elected .- At a meeting of the Columbia Gas Company, held on Saturday last, the following officers were elected to serve the ensuing year: PRESIDENT-Samuel Shoch.

MANAGERS-Hyacinth De Angele, Dr. N. B. Leidy, E. K. Smith, H. M. North, H. C. Fondersmith, George Bogle.

ADVERTISING .- It is amusing at times to observe the stores of merchants who don't advertise, to see the anxious proprietors looking into the streets and see the people go by, wondering why they don't come in, while the stores of their neighbors who do advertise, are througed with gustomers. Some people will learn by observation, others will not. The Spy is now one of the best advertising mediums in this county.

SKATING .- Monday night last, the " raging canal" succumbed to winter's icy touch and presented a smooth surface for young folks to glide merrily along and afforded a fine chance for the study of astronomy with those desiring to take lessons. AN AFFECTING INCIDENT .- Yester-eve, with joyous spirits, and in gorgeous trim arrayed, I sallied forth with charming Clara, for a dashing promenade. Ah what strains of magic power swell the chord of youthful pride, as one threads the walks of fashion with a beauty by his side .-features seemed my inmost soul to chill, lightly on my arm she languished, and I cried in anxious fear: "Speak once more, my darling Clara-tell me what's the matter, dear." Methought her gentle form grew lesser, by the collapse of her gown, as she sighed in trembling accents: "Love my skeleton is down!"

Snow on the Sidewalks.—Let us enjoin it upon our "BoroughFathers,"that something be done in reference to the snow on our pavements. They will awake from their lethargy when some one breaks a limb and brings suit against the Borough. The following is the ordinance relative to the matter:

"Be it enacted by the Chief Burgess and Town Conneil of the Borough of Colum-bia, in conneil assembled and hereby en-acted by the authority of the same, that any person who shall permit snow to lay on his or her sidewalk more than twenty-four hours after the snow shall gense to on his or nor satewark more than twenty-four hours after the snow shall cease to full, shall forfeit and pay to the use of the Borough whenever complaint shall be made to the Chief Burgess, a fine of one dollar to be collected as other times are col-lected."

Now we hope that Council at their next meeting will so amend the above as to make it effective. Let them pass a resolution making the fine ten times the amount named in the above ordinance, and let it be named in the resolution that the Street Comissioner be authorized to act, in conjunction with the Chief Burgess, and notify all persons, where a violation of the rdinance is found.
