dieed against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebtedto my friend, Robert Shoemaker. Esq., for the removal of this prejudice by propertessand for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these bitters at the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regarding. I therefore thank God and my friend for directing me to use them.

Dr. Jackson:—Dear Sir:—I have been frequently resquested to connect my name with commendations of different kinds of medicines but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system and especially for Liver Complain, it is a safe and valuate preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above cause.

Yours, very respectfully,
J. II KENNARD,

Dr. C. M Jackson:—Dear Sir:—Personal experience enables me to say that I regard the German Bitters prepared by you as a most excellent medicine. In cases of severe cold and general debility I have been greatly benefited by the use of the Bitters, and doubt not they will produce similar effects on others.

Yours, truly,

WARREN RANDOLPH.

Dr. Jackson:—Dear Sir:—Having used your German Bitters in myfamily frequently I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system it is the safest and most valuable remedy of which I have any knowledgo.

Dr. Jackson:—Dear Sir:—I feel it due to your excellent preparation, Hoofland German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years at times, been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters. I did so and have experienced great and unexpected relief; my health has been very materially benefitted. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects. Respectfully yours, T. WINTER, Roxborough, Pa.
