Ayer's SARSAPARILLA

FRE WORLD'S GREAT BENEDY FOR Scrofula and Scrofulous Diseases.

From Emery Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your Sansapanilla, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robt, Stratton, Bristol, England.

"I only do my duty to you and the public, when
I add my testimony to that you publish of the medicinal virtues of your Sarsapanilla. My daughter, aged ten, had an afflicting humor in her cars,
eyes, and hair for years, which we were unable to
oure until we tried your Sarsapanilla. She has

From Mrs. Jane E. Rice, a well-known and muchesteemed ludy of Dennisville, Cape May Co., N. J.

"My daughter has suffered for a yen past with a serofulous cruption, which was very troublesome.

Nothing afforded any relief until we tried your SansarAmilla, which soon completely cured her."

Nothing allorded any relief thin we true your SAIRSATARILLA, which soon completely cured her."
From Charles P. Gage, Esq., of the widely-known Gage, Murruy & Co., manufauturers of enamelled papers in Nushua, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intol-crable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."

From Dr. Robt. Sawin, Houston St., New York.

"Dr. Ayell. I seldom fail to remove Eruptions and Scrofulous Sores by the persevering use of your Sarsayantlla, and I have just now cared an attack of Malignant Erysipelas with it. No alterative we possess equals the Sansayantlla you have supplied to the profession as well as to the people."

pilial to the profession as well as to the people."

From J. E. Johnston, Esq., Wukeman, Okio.

For twelve years, I lad the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took lundreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SAIRMARILLA. Took two bottles, and some of your PILLS. Together they have cured me. I am now as well and sound as any body. Being in a public place, my case is known to every body in this community, and excites the wonder of all."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

From Harrey Sichler, Esq., the able editor of the Tunkhannoch Democrat, Pennsylvania.

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a lonthsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skild physician applied nitrate of silver and other remedles, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your Saksarakilla, and applying the loidle of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had faished the second. The child's cyclashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease,

Syphilis and Mercurial Disease.

From Dr. Hiram Sloat, of St. Louis, Missouri.

"I find your Salisarvalitata a more effecture remedy for the secondary symptoms of Syphilic and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

The protession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Laurence, Muss., who is a prominent member of the Legislature of Massachuselts.

DR. AYEL. My dear Sir I have found your SAISAFARILLA an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

Mr. Chas. S. Van Liere, of New Brunswick, M. J., had dreadful ulcers on his legs, caused by the abuse of increury, or mercurial disease, which graw more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SAISAFARALLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him

From the well-known and widely-elebrated Dr. Jacob Morrill, of Cincinnati.

"I have found your Saisalpathilla an excellent alterative in diseases of females. Many cases of trengharity, Lencorrhea, Internal Clearation, and local debility, arising from the scrofulous dinthesis, have yielded to it, and there are few that do not, when its effect is properly abled by local treatment." A lary, unwilling to allow the publication of her name, writes:

"My daughter and myself have been cured of a very debilitating Lencorrhea of long standing, by two bottles of your Saisalpakhal."

IRON IN THE BLOOD,

It is well known to the medical profession that IRON is the vital Principle or Life element of the blood. This is derived chiefly from the food we eat; but if the food is not properly digested, or if, from any cause whatever, the necessary quantity of iron is not taken into the circulation, or becomes reduced, the whole system suffers. The bad blood will irritate the heart, will clor up the lungs, will stupefy the brain, will obstruct the liver, and will send its disease producing elements to all parts of the system, and every one will suffer in whatever organ may be predisposed to disease.

The great value of IRON: AS A MEDICINE

IRUN: AS A MEDICINE.

Is well known and acknowledged by all medical men. The difficulty has been to obtain such a preparation of it as will enter the circulation and assimilate at once with the blood. This point, says Dr. Hayes, Massachusetts State Chemist, has been attained in the Peruvian Syrup, by combination in a way before unknown.
