U. S. 7-30 LOAN.

THIRD SERIES, \$230,000,000.

> By authority of the Secretary of the, Treasury, the undersigned, the General Subscription Agent for the Sale of United States Securities, offers to the public the-third series of Treasury Notes, bearing seven and three-tenths per cent. interest per annum, known as the

7-30 LOAN. These notes are issued under date of July 15th 1864, and are payable three years from that date in currency, or are convertable at the option of the holder into

U.S. 5-20 Six per cent. GOLD-BEARING BONDS These Bonds are now worth a handsome premium, and are exempt, as are all the Government Bonds, from State, County, and Munincipal taxation, which adds from one to three per cent. per annum to their value, according to the rate levied upon other property. The interest is payable semi-annually by coupons attached to each note, which may be cut off and sold to any bank or banker.

The interest at 7.30 per cent. amounts to One cent per day on a \$50 note. Two cents " " " \$100 " Ten " " " \$500 **

40 41 41 Notes of all the denominations named will be promptly furnished upon receipt of subscriptions. The notes of this Third Series are produce ly similar in form and privileges to the Seven-Thirties already sold, except that the Government reserves to itself the option of paving interest in gold coin a 6 per cent instead of 7 3-10ths, in currency Subscribers will deduct the interest currency up to July 15th, at the time when

they subscribe. The delivery of the noise of this third series of the Seven-Thirties will commonce on the lat of June, and will be made prompily and continuously after that date.

of this THIRD SERIES, affects, only the The return to specie payment in sold. The return to specie payments, in the event of which only will the option to pay

interest in Gold be availed of, would so reduce and equalize prices that purchases made with six per cent. In gold would be fully that to those made with the seven and three benchs per cent. In correctly This is

The second of the second of the states The Only Loan in the Market Now offered by the Government, and its -superior advantages make it the GREAT POPULAR LOAN of the Feople. Less than 230,000,000 of the Loan authorised by the last Congress are now on the market. This amount at the rate at which it is being absorbed, will undoubtedly command a premium as has uniformly been the case on closing the subscriptions to other Loans.

It now seems probable that no consider ble amount beyond the present series will be offered to the public.

in order that officers of every town and section of the country may be aforded facilities for taking the loan, the National Banks, State Banks, and Private Bankers throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders. JAY COOKE.

SUBSCIPTION AGENT,

Philadolphia. Subscriptions will be received by the First National Bank of Columbia, and Columbia National Bank.
