He wooed and won, and for him she gave up the pension. They were more done to have the pension. They were more done to have the same and the summer. Ayer's SARSAPARILLA

THE WORLD'S CREAT REMEDI TOR Scrofula and Scrofulous Disease

Scrottlin and Scrottlions Diseases.

From Emery Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your Sansapantilla, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

From Rev. Robt. Stratton, Bristol, England.

"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your Sansarantila." My daughter, aged ten, had an afficing humor in her cara, eyes, and hair for years, which we were umble to cure until we tried your Sansarantila. She has been well for some moutls;"

From Mrs. June E. Rice, a well-known and muchesteened ludy of Demisrille, Capte May Co., N. J.

"My daughter has suffered for a year past with a scrohlous cruption, which was very troublesome. Nothing afforded any relief until we tried your Sansarantila, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known Gage, Murray & Co., manufacturers of enamelled papers in Nashua, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intol-crable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until I took your Sansarantila. It immediately made my face worse, as you told me the might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your Sansarantilla."

Erysipelas—Goneral Dobility—Purify the Blood.

Erysipelas - General Debility - Purify the Blood.

Erryspeins—General Posiniv—Furily Lie Blood.

From Dr. Rolt. Savin, Houston St., New York.

"Dr. Angel. I seldom fail to remove Exuptions and Scrofulous Sores by the persevering use of your Sarear Null.la, and I have just now cured an attack of Madignant Eryspielus with it. No alterative we possess equals the Sarsarantilla you have supplied to the profession as well as to the people."

From J. E. Johnston, Ison. Wakeman, Ohio.

"For twelve years, I had the yellow Eryspielus on my right arm, during which time I tried all the celebrated physicians I could reach, and took lumdreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your Sarsarantilla. Took two bottles, and some of your Pill.s. Together they have cured my. I am now as well and sound as any body. Being in a public place, my case is known to every body in this community, and excites the wonder of all."

From Hon. Henry Monro, M. P. P., of Newcastle,

"I have used your Sarsaranilla in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted."

commending it to the afflicted."

St. Anthony's Fire, Roso, Salt Rheum, Scald Hoad, Scre Eyes.

From Harrey Sickler, Esp., the able cilitor of the Tunkhannock Democrat, Pennsylvania.

"Our only child, about three years of age, was attacked by pimples on his forchead. They rapidly spread until they formed a lonthsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skifful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hauds, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your Sarsaparhilla, and applying the iodide of potash lotton, as you direct. The sore began to heal when we had finished the second. The child's cyclashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Mercurial Disease. Syphilis and Mercurial Diseaso.

From Dr. Hiram Sloat, of St. Louis, Missouri.

From A. J. French, M. D., an eminent physician of Laurence, Mass., who is a prominent member of the Legislature of Mussachusetts.

DIL ATER. My dear Sir: I have found your SAISAPARILLA an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstimate to yield to other remedies. Mr. Chas. S. Van Lieir, of New Brunsicick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grey more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved him. From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati.

"I have found your Sansaranthla. Anny cases of Irregularity, Leucorrhoea, Internal Ulceration, and local deblitty, arising from the serodulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

Colds readily yield to it. In the short space of a single night the severest cold has passed away, and the Hasheesh, acting as a stimulant on the sufferer, enables him to rise in the morning fresh and renewed. Its effects are wonderful. It quickly annihilates Pain and Suffering, and alleviates human misery. We here present a few of the diseases
