THE NEWS. General Grant received a fitting ovation at Altoona on Tuesday morning last setts Cotton Mill-either of which as he was passing through on his way would be lynched for his presumption.castward. The notice given of his intended passage, and the time he started edge more or less of social equality, but were too short to admit of preparations no such relation ever existed between for a formal reception; but the matter their decendants in this country, and the native Indians; and the result is, the was taken in hand by the Grand Commandery of Knight Templers, in session there, and a most imposing reception given. Previous to the arrival of the train they formed in line dressed in full not; because their intellect is of too regalia, which all who have seen know low a grade to receave civilization. Negroes in their native country exhibit less to be rich and beautiful, and accompanied by a splendid band, arranged themselves in double column at the depot in front of the Logan House. The line exextended from the track to the door by which the General was to enter the hotel. The train was stopped a short distance above the depot to take on a committee appointed to inform the General of the arrangements made for his reception. The crowd of people, which numbered thousands, occupied every available foot of whom do not earn their own living. upwards hold below, while the roof of the verandah in front of the hotel was well filled with ladies and gentlemen. It was with difficulty that the Knight Templars co'd keep in line and keep the passage open. ily of nations; that their destiny is to be-

When the train halted at the station come extinct; that bringing them in the appearance of the General upon the platform was the signal for deafaning such a result, and that all efforts to cheers, while the band struck up " Hail to the chief." The General was received at the head of the column by Sir Knights Strickland, Turner and Robison, in this country is not imminent. There is tin hand, while the crowd sent up armory at Springfield, Mass.

The danger of getting out of guns are 693,924 new rifled muskets in the Vork counties.

MARRIAGE GUIDE.-Young's Great MARRIAGE GUIDE.—Young's Groat Physiological Work, or, Every one his on Doctor—Being a Private Instructor for married persons or those about to marry, both made and female. In every thing concerning the physiology and relations of our sexual system, including all the new discoveries never before given in the English language, by WM, YOUNG, M. D. This is really a valuable and interesting work. It is written in plain language for the general reader, and is illustrated with upwards of one hundred engravings. All young married people, or those contemplating marriage, and having the least impediment to married life, should read this book. It discloses secrets that every one should be acquainted with. Still it is a book that must be locked up, and not lie about the house. It will be sent to any one on receipt of twenty-five cents. Address, DR, WM, YOUNG, No. 416 Spruce St., above Fourth, Philadelphia.
