SHADY SIDE, NO. 18.

BT LOCAL. licobject and purpose, I freely confess, And full definition, I cannot expens; tt is of all sizes, all shapes and all forms; I- seen when th' sun shines, and seen when it ste seen in all circles, and seen in all statious; Neen in all circles, and seen in an actions;
Practiced by persons, and practiced by nations;
The blind and the credulous, never forsa'tes,
The greater the humbug, the better it takes,
If humbugs were truths, the poor would be wealthy;
The bling receives given the side bull and healthy. The blind, receive sight, the sick, hale and healthy Our lives would be fice from vexation and care, Our heads free from baldness and free from grey hair. But since the reverse, and that humbugs are hes, Their author's josition, like that of a spy's, Since every humbug to man, is a curse, A tax on his time, and a tax on his purse; Tis well to reject every humbug, we much, Before tis too late, to discover the cheat. The quack advertuses his syrup and pills, He hears no complaints from the persons,he kills, But such as recover, he thinks it quite sure, That it was his nostrume, effected the cure. The next lins a business, a secret of course, Which leads you to wealth, and the only true source.
Its labor is light, and performed with case, And all may get wealthy as soon a they please; Which he will impart, and the terms of his sile, Is, just to enclose him two dollars by mail. With visible humbugs, the public are bored,

An army of suckers, a numerous heard, With saintly long faces and tears in their speech, Play their tricks and their games, the public to leech Great Gotham is filled with its humbuz, and fops, Its "Peter Funk" auctions and Peter "Funk" shops Its "Pocket Book droppers," a numerous set. And "patent Safe Sharpers," who borrow to bet; its "confidence men" who have watches to sell, A long and a pitiful story to tell, Their rentmatte paid in a very few days,
2 sacrifice made, for they must make a talse.
These tricks and sharp bargains involving a sale,

Are pickayune humbugs and on a small scale, Contrasted with those, who our country infest, Like wolves in sheep's clothing, the devil possessed Who personate christians, beg in all places, Personate charity, one of the graces, Appeal to sympathics, passions and fears, and back up their falsehoods with *Crocodile* ters. For persons in want, they fain much affection, Pass round the plats, and take up a collection, Roc iving large sums on such false pretences, And cabbage the whole to pay their expences.

## Ayer's SARSAPARILLA

THE WORLD'S OREAT REMEDY FOR

Scrofula and Scrofulous Diseases.

From Emery Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SARSAPARILLA, but never yot one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robt. Stratton, Bristol, England.

"I only do my duty to you and the public, when I add my testimony to that you publish of the modicinal virtues of your Sairsaparaticle. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to the until two tried your Sairsaparaticles. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and muchesteenedludy of Dennisrille. Cape May Co., N.J.

"My daughter has suffered for a year past with a scrofidous cruption, which was very troublesome. Nothing afforded any relief until we tried your Sairsaparaticles, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known Gage, Marray & Co., manufacturers of cummelled papers in Nashau, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until I took your Sairsaparaticles. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your Sairsaparaticle."

Erysipelas—General Dobility—Purily the Blood.

From Dr. Robt. Sawin, Houston St., New York.

"Dr. Ayer. I seldom fail to remove Eruptions and Scraphlons Sores by the persevering use of your Sarsatamilla, and I have just now cured an attack of Malignant Erysipelas with it. No alterative we possess equals the Saisatamilla, you have supplied to the profession as well as to the people."

From J. E. Johnston, Esg., Wakeman, Ohio.

"For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The alcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your Saisatamilla. Took two bottles, and some of your Pills. Together they have cured me. I am now as well and sound as any body. Being in a public place, my case is known to every body in this community, and excites the wonder of all."

From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadium Parliament.

"I have used your Sarsararilla, in my family,

with very beneficial results, and test confidence in commending it to the afflicted."

St. Anthony's Fire, Rose, Salt Rheum, Scald Hond, Sore Eyes.

From Harrey Sickler, Esq., the able editor of the Tankhatmock Democrat, Pennsyltemia.

"Our only child, about three years of age, was attacked by pimples on his forchead. They rapidly spread until they formed a loadsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Has ing tried every thing clse we had any hope from, we began giving your SAISALVAILLA, and applying the lodde of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's cyclashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

that the child must die."

Syphilis and Mercurial Disease.

From Dr. Hiram Stont, of St. Louiz, Missouri.

'I find your SARNAPARILLA a more effectual remedy for the secondary symptoms of Syphilis and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Lawrence, Muss., who is a prominent member of the Legislature of Mussachuselts.

'DR. AYER. My dear Sir 1 have found your SARSAPARILLA an excellent remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

Mr. Chas. S. Van Liete, of New Brunswick, N. J.,

in Interative is required."

Mr. Chas. S. Van Liee, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of Ayen's SARAPARILA. relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Loucorrhoes, Whites, Female Weakness, are generally produced by internal Serofulous Ulceration, and are very often cured by the alterative effect of this Sarsarantilla. Some cases require, however, in aid of the Sarsarantilla, the skilful application of local remedies.

application of local remedies.

From the well-known and widely-celebrated Dr. Incob Marvill, of Cincinnati.

'I have found your Sarsamalla. Many cases of Irregularity, Leucorrhoza, Internal Ulceration, and local debility, arising from the scrotlans diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment. A lady, unwilling to allow the publication of her name, writes:

"My daughter and myself have been cured of a very debilitating Leucorrhoza of long standing, by two bottles of your Sarsamarilla."

Phenymetism. Gouth. Liver Complaint. Dyse

Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Discase, Neuralgia, when caused by Scrofula in the system, are rapidly cured by this Ext. SARSAPARILLA.

AYER'S

CATHARTIC PILLS possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.

So general has the use of this remedy become, and so popular is it everywhere, that

The Rev. Jacob Sechler,
Well known and much respected among the German population in this country, makes the following statement for the benefit of the afflicted:

Draw Sics: Having realized in my family important benefits from the use of your valuable preparation—Wistar's Baksam of Whit Cherry—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case, made frequent use of your valuable medicine, and have also been benefitted by it.

From Jessie Smith, Esq.,
President of the Morris County Bank, Morristown,

most delicate in health."

From Hon John E. Smith,
A distinguished lawyer in Westminster, Maryland,

DR. VELPAU'S FRENCH PHAS.—
Ladies, take particular notice. The real Velpau Female Pil. Warranted French. These pills, so celebrated many years ago in Paris, for the relief of female irregularities, and afterwards so notorious for their criminal employment in the practice of abortion, are now offered for sale for the first time in America. They have been kept in comparative obscurity from the fact that the originator, Dr. Velpau, is a physician in Paris, of great wealth and strict conscientious principles, and has withheld them from general use, lest they should be employed for unlawful purposes. In overcoming female obstructions they seem to be truly onnipotent, bursting open the flood gates from whatever cause may have stopped them, but they are offered to the public only for legitimate uses, and all agents are forbidden to sell them when it is understood that the object is milawful. \$152,715,69 \$452,715,69 A.
