A Charleston Beauty. The following is an extract from the

letter of a naval officer on board one of the U.S. gunboats near charleston, S.C. I saw an angel a few days ago, in the shape of a beautiful young lady, who came on board with her father to take the oath. Without exception, she was the most beautiful being that I ever had the pleas ure to feast my eyes upon, When I saw her come alongside, being officer of the deck, I rushed to the ganway, and was very attentive in seeing her safe over the side, and waiting upon her on the quar ter deck. Her father was engaged with the captain and I took the opportunity to E. & H.T. Nov. 12,-1y. men who avoid female society have dull perceptions and are stupid, or have gross TOY AND CONFECTIONERY perceptions and are stupid, or have gross tastes, and revolt against what is pure. Your club swaggerers, who are sucking the byts of billiurd cues all night, call female society insipid. Poetry is uninspiring to a yokel; beauty has no charms for a blind man; music does not please a poor beast who does not know one tune from another; but, as a true epicure is hardly ever tired of water, sauce, and hardly ever tired of water, sauce, and brown bread and butter, I protest I can sit for a whole night talking to a well-Fanny, or her boy Frank, and like the great benefits a man may derive from enabled to sell them as cheap as any other store in town. Our assortment of woman's society is, that he is bound to be respectful to her. The habit is of great good to her. The habit is of great of all grade of good to your moral men, depend upon it. Our education makes us the most eminently selfish men in the world. We fight for ourselves, we push for ourselves, we yawn for ourselves, we light our pipes and say we wont go out, we prefer ourselves and our ease; and the greatest benefit that comes to man from a woman's society is that he has to think of somebody to whom he is bound to be constantly attentive and respectful

SARSAPARILLA

THE WORLD'S GREAT REMEDY FOR Scrofuls and Scrofulous Diseases. Scrofula and Scrofulous Diseases.

From Emery Eles, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SARSAPABILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.
From Rev. Robt. Stratton, Bristol, England.
"I only do my duty to you and the public, when I add my testimony to that you publish of the modicinal virtues of your Sansar-anticla. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your Sansar-anticla. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and muchesteemed lady of Dennisville, Cape May Co., N.J.

"My daughter has suffered for a year past with a scrofulous cruption, which was very troublesome. Nothing afforded any relief until we tried your Sansarantilla, which soon completely cured her."

From Charles P. Gage, Eag., of the widely-known Gage, Murray & Co., manufacturers of enamelied papers in Nashau, N. H.

"I had for several years a very troublesome humor in my face, which grow constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief whatever, until I took your Sansarantilla. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your Sansarantilla."

Dr. Ayen. I seldom fail to remove Eruptions and Serotions Sores by the persevering use of your Sarsay-Rilla., and I have just now cured an attack of Malignant Erystelas with it. No alterative we possess equals the Satsay-Rilla, you have supplied to the profession as well as to the people."

From J. E. Johnston, Esg., Waleman, Ohio.

"For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took lundreds of dollars worth of medicines. The ulcers were so had that the cords became visible, and the doctors decided that my arm must be-amputated. I began taking your Satsay-Arilla. Took two bottles, and some of your Pills. Together they have oured me. I am now as well and sound as any body. Bloing in a public place, my case is known to every body in this community, and excites the wonder of all."

St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

From Harrey Sickler, Esq., the able editor of the Tunkhannock Democrat, Pennsylcania.

"Our only child, about three years of age, was attacked by pimples on his forchead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skifful physician applied his acycs for some days. A skifful physician applied his acycs for some days. A skifful physician applied his hands, lest with them he should tear open the festering and corrept wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your Sansayathilla, and applying the iodite of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had given the first bottle, and was well when we had given the first bottle, and was well when we had fair as any other. The whole neighborhood predicted that the child must die."

From A. J. French, M. D., an eminent physician of Lawrence, Muss., who is a prominent member of the Legislature of Mussachusetts.

"DR. AYER. My dear Sir: I have found your SARSAPARILLA an excellent remedy for Syphilis, both of the primary and secondary type, and efficial in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

Mr. Chas. S. Van Liew, of New Brunswick, N. DR. VELPAU'S FRENCH PILLS.-DR. VELPAU'S FRENCH PILLS.—
Ladies, take particular notice. The real Velpau Female Till. Warranted French. These pills, so celebrated many years ago in Paris, for the relief of female irregularities, and afterwards so notorious for their criminal employment in the practice of abortion, are now offered for sale for the first time in America. They have been kept in comparative obscurity from the fact that the originator, Dr. Velpau, is a physician in Paris, of great wealth and strict conscientious principles, and has withheld them from general use, lest they should be employed for unlawful purposes. In overcoming female obstructions they seem to be truly omnipotent, bursting open the flood gates from whatever cause may have stopped them, but they are offered to the public only for legitimate it uses, and all agents are forbidden to sell them when it is understood that the object is unlawful.

Sold at the Golden Mortar Drug Store, and R. Williams' in Columbia, and Dr. J. F. Hinkle, Marietta.
