The alley is at all times filled with filth and blood, the latter coming from slaughter-houses.

CAMP MEETING .- During the past week a camp meeting was held near Wrightsville, under the supervision of the "Albrights." The attendance on Sunday was very large, and we do not suppose that one-eighth of the persons there assembled heard any of the preaching. The woods were completely taken up with young ladies and their gentleman friends. Every log had a couple perched upon it, seated in their carriages, and had their damsels folded in their arms as tight as though they were wrapped in the folds of a serpent, and what appeared strange to us, the port and co-operation.

SOMETHING NEW .- We call attention to the advertisement of the Duplex Elliptic or double Spring Skirt. Though a recent invention, it has become very popular, and is rapidly obtaining the preference over other kinds in use. The rods in it hay the card of Mr. J. W. ROWDYISM, -- Whither are we drifting? is a question that may well be asked. During the past few evenings our borough has esounded with the shouts and hideous howlings of men under the influence of liquor.

On Monday evening no less than seven fights occurred on Locust Street, between Second and Fourth. The disturbance commenced in a saloon in front of the Town Hall. At that place a general row took place, and then all scattered, and fighting went off along Locust. One party adjourned to the lot in rear of the M. E. Church, and settled a point in dispute. Officers McGinniss and Hook appeared and put a stop to the proceedings.

SINGULAR CIRCUMSTANCE. -- Mr. Geo. II. Smith of this Borough, left his home on Monday morning, 31st ult.. to visit Lancaster, in a business capacity. He was last seen at the barber shop in the basment of the Cadwell House in that city, since which time he has not been heard of .-Many entertain the belief that he has been foully dealt with ; if so, his father offers a reward of two hundred dollars for the arrest and conviction of the perpetrators of the crime.

He was a young man, honestand upright in all his dealings, and exemplary in his character. From early youth, he set an example worthy of imitation, and strove to promote the happiness of his parents and labored assiduously for their welfare.

He was at one time employed as an ac countant in the Columbia Bank; but latterly was a clerk in 'the Collector's Office at the Canal Basin, both of which positions we are told, he filled with credit to himself and justice to his employers.

His father, a merchant on Front Street, is almost distracted in consequence of this terrible visitation, and Las done everything in his power to ferret out the whereabouts of his son.

Any person having the slightest information relative to the matter will please address Martin Smith, Columbia, Pa.-See advertisement in another column.

NEW SKIRT FOR 1865-6. The Great Invention of the Age in W. BRADLEY'S New Patent DU-EX ELIPTIC (or double) SPRING

SKIRT.

THIS invention consists of Duplex (or two) Eliptic Pure Refined Steel Springs, inger iously braided tightly and firmly together, edge to edge, making the toughest most flexible, clastic and durable spring ever used. They seldom bend or break, like the single springs, and consequently preserve their perfect and beautiful shape more than twice as long as any single spring skirt that ever has or can be made. The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic skirt will be experienced particularly in all crowded assemblies, operas, carriages, railroad cars, church pews, arm chairs, for promenade and home dress, as the skirt can be folded when in use to occupy a small place as easily and conviently as a silk or muslin dress.
