COLUMBIA PA. Saturday, Dec. 16, 1865. Advertisements, to secure Immediate insertion

The News.

The Union State Central Committee of Pena-ylvania askel for an amendment to the Constitution prohibiting the payment of the national debt; that Congress ties on exports; that Representatives in number of quilified voters in each State and that no State shall ever be permitted to withdraw from the Union.

Blaine, of Maine, introduced a resolu-Representatives instructed the Military | country will be unwilling to fight. Committee to inquire into the expeliena view to its dedication to the commemoration of George Washington and Abraham Lincoln, was adopted.

Report of Lieut. General Grant. This document, occupying forty-four future." pamphlet pages, is a complete narrative of the campaigns conducted under his supervision as General in Chief. can only quote from some passages. He

commences thus;
"From an early period in the rebellion active and continuous operations of all the troops that could be brought into the field, regardless of season and weather, were necessary to a speedy termination of the war. The resources of the enemy and his numerical strength were far inferior to ours, but as an offset to this we had a vast territory, with a population hostile to the government, to garrison, and long lines of river and rail

The armies east and west acted independently and without concert, like a balky team, no two everpulling together, enabling the enemy to use to great adtion for transporting troops from east to west, reinforcing the army most vigor- islands is a one side thing, which might ously pressed, and to furlough large number of abolished with but little injury to us, be abolished with but little injury to us,

preventing him from using the same force at different seasons against first one and then another of our armies, and the pos-These views have been kept constant-

be for the best interests of the wnole

The report closes thus:

"It has been my fortune to see the armies of both the west and the east fight."

A nation, which after four battles in the Mississippi valley, and re- policy which her government has perceived the final surrender of the remnant sued with regard to the affairs of this Daily News. of the principal army opposed to them in North Carolina. The armies of the cast commenced their battles on the river from which the Army of the Potomac and permanent rival has no disposition derived its name, and received the final to engage in a big war, and especially in surrender of their old autagonist at Appomattox Court-house, Virginia. The splendid achievements of each lave sectional jealousies, (of which we have the impression that no danger to the to the second clause. unfortunately experienced too much) and peaceful relations of England and Amerthe cause of crimination and recrimination and r tion that might have followed had either in the President's recent message, but proud record, and all sections can well our opinion is based upon different views congratulate themselves and each other from those intimated by the representafor having done their full share in re- tives of the great European powers. storing the supremacy of law over every foot of territory belonging to the United States. Let them hope for perpetual peace and harmony with the enemy whose was assaulted on Thursday, by an ex-

Will England "Please step to the Captain's Office and settle.

A report from Washington, says the Philadelphia Daily News, states that the ministers of England and France have said that they see nothing in the President's message which is like to disturb the relations existing between our government and those which they represent. It is likely that they "do not see it," for when people do not want to see their vision is sometimes very dull. It is, however, very easy for any one to see that the President has expressed in decided terms his dissatisfaction with the conduct of the English government in refusing to make good the losses of American merchants caused by the destruction of their ships, captured or burned shall have power to levy and collect du by cruisers fitted out in English ports, with the connivance of "the authorities." the lower House shall be based upon the and in contemptuous disregard of the remonstrances of our minister.

It has many times been announced to the world as the policy of the American In the House of Representatives, Mr. government "to demand nothing which is not certainly right, and to submit to reimbursing the loyal States for the ad- nothing which is wrong." A demand vances of money made, and the debts has been made for indemnity, and the contracted for the preservation of the assurance given that the administration Union. Mr. Jeneks, a joint resolution is satisfied that justice requires that payproposing that the President and Vice ment shall be made. A proposition to President shall be elected by a direct refer the matter to a disinterested umpire vote of the people. Mr. Ward, a bill has been refused by the English ministry granting bounty and and money to which is a practical acknowledgment that United States soldiers who served dur- the statesmen of England know that the Adams, will resign his position early in ing the rebellion. Mr. Stevens, a joint decision would be against them. They the spring. resolution proposing an amendment to refuse to repair the wrong they have the Constitution of the United States, done, simply because they hope by delay that all national and State laws shall be and diplomacy to put off the reckoning equally applicable to every citizen, with - until it becomes an old affair, for the adout distinction to color. The House of justment of which the people of this

While England refuses to consent to cy of providing for the payment of the arbitration can our government with same bounty to the soldiers of 1861 and honor neglect to enforce its demand? 1862 as was paid to those enlisted after There can be no doubt that a war for that time. A resolution directing the such a purpose would cost far more than Committee on the Decease of President | would be required to reimburse all who Lincoln to take into consideration the have suffered loss from the depredations expediency of providing for the comple- of robel cruisers; but when a nation subtion of the Washington Monument, with | mits to wrong it courts outrage from every one who has power to injure or insult it, and it is therefore a matter of policy as well as honor to require "inlemnity for the past and security for the

We do not consider war at all necessary to compel England to act with justice towards our country. So important is her trade with us that a serious curtailment of it would have a most disastrous I had been impressed with the idea that influence upon many of the business interests of her people, and an interruption of intercourse, which would be most injurious to her, would in some respects, frances will be involved in the gigantic benefit us.
