Salutatory. In assuming the duties of Assistant Editor of the Spy, it will be our aim to make the paper as interesting as we possibly can. To be an editor of a neutral paper is not an enviable position, for it is almost impossible to indite an article upon the affairs of Government, at the present time, without being accused of partiality to one side or the other. The Spy has for its motto, " Independent, Fearless and Free," and accordingly the right to deal out the truth, no matter whom it may offend, belongs to its editors.  $\Gamma$  following affidavit:— For the Benefit of Persons suffering with Piles, I make the following statement;

the Trochec are universally pronounced better than I have been, during the last ten or twelve years severely afflicted with piles. I have tried remedies of all kinds, without deriving any particular benefit and finally put myself tracer the base medical treatment in Philadelphia; but no relief was obtained. I considered my case hopeless and believed my self dromed to misery. As a last resort, upon the recommendation of some friends, I tried Phreanar's Rhoidermors and Laxative Pills. This remedy gave the reflet. Several applications relieved me of all pain, and the regular application of the "Rhoidermors" for three weeks entirely cured me. I am glad there is such a remedy, and carnestly recommend it.

1865. Ayer's Sarsaparilla A compound remedy, designed to be the most effectual Alterative that can be made. It is a concentrated extract of Para Sarsaparilla; so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense

service to this large class of our afflicted fellow-

citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:— SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM; SCALD HEAD, SYPHILIS AND SYPHILITIC AF-FECTIONS, MERCURIAL DISEASE, DROPSY, NEU-RALGIA OR TIC DOULOUREUR, DEBILITY, DYS-PEPSIA AND INDICESTION, ERYSIPEIAS, ROSE

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out 'the vitiated blood whenever you find its impurities bursting through the skin in pimples, cruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder

must go wrong, and the great machinery of life is disordered or overthrown.

The Real Velpau Female Pills.

[Warranted French.]

These Pills, so celebrated many years ago in Paris for the relief of female ir regularities, are now offered for sale for the first time in America. They have been kept in comparative obscurity from the fact that the originator. Dr. Velpau, is a physician in Paris of great wealth and conscientious principles, and has withheld them tromgenesal use, lest they should be employed for unlawful purpeses. In overcoming iemale obstructions they seem really omnipotent. They are offered to the public only for legitimate purposes, and all agents are forbidden to sell their when it is understood that the object is unlawful. Sold by R; Williams and Dr. Purry, Columbia.

Ladies can procure a box scaled from the cyes of the curions by enclosing \$1\$ and six stamps to O. G. Smples, General Agent for us, Watertown, N. Y. or to the above agents.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug ne has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which restsupon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to seeme their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.
