False Steps.

It is a rather striking circumstance that the matter in which men and women most commonly take serious false steps is that which is least readily acknowledged. Probably about the most fatal blunder that anybody can perpetrate is a bad DRUGS, marriage; and, moreover, of all blunders this is the commonest. It is also one which the parties to it most carefully con seal from themselves. The reluctance citizens of Columbia and vicinity. Scrofula, or King's Evil, is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, cruptions or sores. This foul cor-ruption, which genders in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous com-plaints, but they have far less power to withstand the attacks of other diseases; consequently vast numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or

A great variety of disor-ders arise from its irritation, among which are Neuralgia, ltheunatism, Gout, Headache, Blind-ness, Toothache, Earache, Caturrh, Asthuna, Pai-pitation, Painful Affection of the Spleen, Hyster-ics, Pain in the Bowels, Colic, Paralysis and Deics, Pain in the Bovels, Colic, Paralysis and De-rangement of the Stomach, all of which, when originating in this cause, put on the intermittent type, or become periodical. This "Cure" expels the poison from the blood, and consequently cures them all alike.
