W .- No Sir. We have never received a job of work that could not be done at this office, or turned one away because we had not material to do it. We had almost said that the person who told you is a liar, but you know that would be as vulgar as the man is mean, who told you.

RETURNED Soldiers are requested to meet at the Town Hall, March 28th, at 71 o'clock, P.M., to elect officers for the "Union."

A RARE SIGHT.—On Wednesday morning last, a large flock of Swans was in the river, opposite this place. There was also, a flock of Wild Geese, numbering between fifty and sixty, enjoying the waters of the Susquehanna. Several persons were after them but we did not hear of any captures.

GO WHERE YOU CAN GET THE BEST. -The well-known firm of E. Worrell & Go. 819 Arch street, Phila., hold the front rank in their line as Merchant Tailors. They are now opening their stock of spring are now opening their stock of spring goods, and gentlemen are invited to call and inspect the infinite variety of new and fashionable cassimeres. We opine that few who have the means will depart withfew who have the means will depart without buying a suit, as persons will buy where they can get the best.

RAFTING .- The late rains have had the effect of putting the river in splendid rafting order. Already several rafts have arrived and we soon expect to see our shores lined with "yankee cabins," minus the Yankees. Let any up-river man, no matter if he is a Dutchman, put on a red shirt and come down on a raft, and he will be immediately transformed into a yank. To all who desire to have their supply of Easter eggs, we say, seize them before the raftmen visit the stores and market, as they have a peculiar liking for hen fruit.

Masonic —The following Sir Knights were, on Thursday evening last, elected officers of Columbia Commandery, No. 13, of Knights Templar, for the ensuing year : Eminent Commander, Chas. M. Howell; Generalissimo, J. M. Westheaffer; Cap-

Maish; Prelate, John Gobson; Senior Warden, J. R. Davis; Junior Warden, S. H. Spangler; Standard Bearer, C, F. Winter; Sword Bearer, Dr. O. C. Brickley and A. Fahs, Sentinel.

RED MEN'S SUPPER .- Chiquesalun-Men, gave a supper at their Hall on Monday evening last. As no pale faces were admitted we cannot tell much about the affair, but learn, however, it was one of the most stupendous entertainments ever gotten up by them. A number of the Otsego Tribe, came over from Mount Joy, headed by the Mount Joy Band, which discoursed most excellent music. Several of our citizens were serenaded, including surself, for which we return thanks.

Speeches were made, the war whoop was sounded, and the war-dance engaged in .-Old Warriors, the "Incahonce" and all the Chiefs told of wonderful deeds of valor, while the "little Ingins" stood by ready to "scalp" a pale face.

The "council of war" broke up about 12 o'clock, when all returned to their homes well pleased with the pleasures of the evening.

SAD CASE OF DROWNING.—On Monday morning last, about 6} o'clock, Geo Grubb and J. Paul Strickler went out on the river for the purpose of shooting ducks. They first set some "stool ducks," and then moved on towards the dam. They arrived safely and were on the sheathing about 10 minutes, when Grubb beheld a wild goose swimming beyond. They then returned to the boat, and were about starting for the goose, when the current caught and turned the boat, sending it over the dam. Strickler jumped out as soon as the boat turned, but Grubb remained, saying "sit still, Paul, we can make it." But we are sorry to say his calculations were not correct. As soon as the boat leaped the dam, it threw Grubb out and he was caught in the reaction. Strickler, by a desperate effort, saved himself. When he leaped from the boat heswam two orthree strokes and caught the sheathing, but was nearly drawn under by the current. After confooting. From his position he beheld Grubb in the reaction and says he came up at least five times. The last time he saw him, he was about forty yards below the reaction, swimming, but the poor fellow

did not succeed in saving himself. Strickler was then left alone, walking a sorrowful beat on the sheathing, to prevent freezing, and at the same, calling out loudly for help. Catarrh Cured for One Dollar. READ.—For one dollar per mail, I will send free to any address a recipe and medicine that! will guarantee to cure the worst cuses of Catarrh in the head or bronchial tubes in a few weeks. It has saved my life, and made me a well man, from Catarrh and a severe and dangerous bronchial trouble! I had suffered with for years. I tried the best physicians, and all advertised medicines of the day, but found no relief till I obtained this. I would give one hundred dollars for this recipe and the mechanic, if I now had the Catarrh and could not obtain it less. I believe, if instructions are followed, it will cure any case whatever, that has not already reached the lungs and become a settled consumption. Cure it while you can. Address.

RELIEF IN TEN MINUTES.

Ap-The origin Medicine established in 1837, and first article of the kind ever introduced under the name of "Pulmonic Wafers," in this or any other country; all other Pulmonic Wafers are counterfeits. The genume can be known by the name BRYAN being stamped on each Wafer.

These Wafers have been before the public for neatly thirty years, and the immense sale attained, not only in America but in foreign countries, fully attest their intrinsic worth. The medical properties are superior to any other articles offered for the cure of Pulmonary or Bronchiad affections, and the quantity contained in each box is nearly double that of that of the many worthless imitations advertised.
