Catarrin Cured for One Dollar. READ.—For one dollar per mail, I will send free to any address a recipe and medicine thati will guarantee to cure the worst cures of Catarrb in the head or bronchial tubes in a few weeks. It has saved my life, and made me a well man, from Ca-tarrh and a severe and dangerous bronchial trouble I had wilfered with for years. I tried the best phy-sicians, and all advertised medicines of the day, but found no relief till I obtained this. I would give one hundred dollars for this recipe and the medicine, if I now had the Catarrh and could not obtain it less. I believe, if instructions are followed, it will cure any case whatever, that has not already reached the lungs and become a settled consumption. Cure it while you can. Address. T. P.
