PRESENTATION .- On Tuesday last, Mendes Cohen, Esq., the retiring Superintendent of the Reading & Columbia R. R., was formally presented with a splendid gold-headed cane, bearing the inscription, "Presented to Mendes Cohen, Esq., Supt. by the employees of the R. & C. R. R." It is a splendid piece of workmanship and highly prized by Mr. C. Since his connection with the road everything has been in a prosperous condition. The Company was sorry to part with him, as he is a man possessed of shrewd business qualifications

LADIES' FRIEND.—This Magazine May is out in all its brilliancy. It has has many beautiful fashion cuts and embelishments. The patterns for dress are unusually captivating. An Evening Bodice, a Promenade Jacket with hood, a Morning Dress, an Evening Toilette, an Embroidered Apron, Hats, Caps and Head-dresses, patterns for Knitting, Crochet, &c., are among them. The stories are as usual varied and excellent. Then there are poems by Florence Percy, Phila H Case, and others. RAFTING AND FISHING.—Sunday last being a beautiful day, the river full of rafts and the fisherman making large hauls, caused a great many sight-seers to wend their way towards the Dam. Early in the morning the shore from the Dam to the Piers was lined with rafts about four deep, each raft being manned by eight men. giving the bosom of the Susquehanna quite a populous appearance. Some of the rafts of lumber and coal, which they offer at reasonable rates by the car load or otherpassed through the schute very nice but others performed some splendid diving.

The Fisherman were in luck on all sides. Over 400 shad were caught, besides suckers, hammer-heads, perch, carp and mullets by the barrel.

Every person who visited the river shore that day also had luck in the shape of sun-

dry visits of shad-flies and biting of gnats. MASONIC HALL ASSOCIATION .- The incorporators of this Association, of which we spoke last week, are C. S. Kauffman, W. Patton, Hiram Wilson, A.J. Kauffman,

POETS may sing of beauty "when unadorned, adorned the most," but there is less of truth than poetry in the remark, and we imagine that the warmest admirers of the beauties of the human form divine, have no desire to return to the primitive era of fig leaves, and poor humanity is still greatly dependent for its good looks upon the labors of the manuamaker and the tailor. OUR BOROUGH SHOULD AT ONCE BE PUT UPON A CLEAN AND HEALTHFUL BAsis.—We are glad to notice that our Borough authorities are at work in having the streets and alleys put in proper trim. Though the promised improvement to be made in the alley between Locust and 2nd streets, has not yet been commenced, as it should be. We are told that the delay is caused from the want of material. They have had warning enough. It is perfectly right to blame it on material or the man who is to furnish it. This is a work that should have been commenced e'er this.— But better late than never. No matter how it is fixed, blood and filth will tell.

It is of vast importance to the health and comfort of the people, that our beautiful and flourishing borough be thoroughly cleansed, before warm weather fairly sets in. Precautions of the kind are being taken in all the seaboard and large interior towns elsewhere; and we certainly should not be behind other people in a work so necessary to the health of the entire community. Let all the alleys be kept clean and sweet. Let private families see that their cellars and outhouses are in good

BRYAN'S PULMONICWAFERS.

The origin Medicine established in 1837, and first article of the kind ever introduced under the name of "Pulmonic Wafers," in this or any other country; all other Pulmonic Wafers are counterfeits. The genuine can be known by the name BRYAN being stamped on each Wafer.

These Wafers have been before the "public for nearly thirty years, and the immense sale attained, not only in America but in foreign countries, fully attest their intrinsic worth. The medical properties are superior to any other articles offered for the cure of Pulmonary or Bronchial, affectious, and the quantity contained in each box is nearly double that of that of the many worthless imitations advertised.

Bryan's Pulmonic Wafers
cure Coughs, Colds, Sore Throat, Hoarseness, Asthma, Catarrh, Brouchitis, Difficult Breathing, Spitting Blood, Pains in the Chest, Incipient Consumption and all diseases of the lungs. Not only affording temporary relief, but effecting a rapid and lasting cure and are warranted to give satisfaction in every instance. They do not nauseate like acoholic compounds, and the medical properties are combined in a form so agreeable and pleasant to the taste, that any child will readily eat them. One dose will always afford

Relief in Ten Minutes.

Relief in Ten Minuics.

To Vocalists and Public Speakers, these Wafers are peculiarly valuable; they will in one day remove the most severe occasional hoarseness: and their regular use for a few days will, at all times, increase the power and flexibility of the voice, greatly improving its tone, compass and clearness, for which purpose they are regularly used by many professional vocalists.

The very grent celebrity of this invaluable remody has induced unprincipled persons to prepare base imitations, which disappoint the just expectations of the purchaser, and injure the character of the genuine medicine.

See that the word, "BRYAN," is stamped on each Wafer, and also observe the fac simile of the signature of the Proprietor "JOB MOSES" on each wrapper, to counterfeit which is forgery. II "Offending parties will be dealt with to the full extent of the law.
