#### THE NEWS.

Dispatches dated March' 28, received April 18th, from Mazatlan, state that the French army, eleven hundred strong, reinforced from Tapis, attacked Generals Corona and Robi, three miles from Mazatlan. After a severe battle the French were entirely defeated, with the loss of his fortieth year's rent to the same landseven hundred killed and wounded; three lerd. hundred and fifty were captured, and the remainder returned to Mazatlan .--All the streets in Mazatlan were barricaded, and there was but little doubt that the Republicans would occupy the place. "The Steamship Arizona, from Aspinwall, has arrived. She bripgs \$820,000 on Mr. Lincoln has licen interdicted in

in specie. A terrible disaster occured at Aspinwall on the 3d inst. There was a fearful explosion on board the Steamship European, destroying the ship and four hundred feet of her wharf. The cause of the explosion is supposed to be nitroglycerine on board. About fifty persons were killed-among them the Captain who merely call to inspect the goods. If and officers of the ship.

RELIEF'IN TEN MINUTES,

# BRYAN'SPULM ONIGWAFERS.

BRYAN SPULM URIL WAPERS. AP The origin Medicine established in 1837, and first article of the kind ever introduced under the name of "Pulmonic Wafers," in this or any other formation of "Pulmonic Wafers," in this or any other feits. The genuine can be known by the name BRYAN being stamped on each Wafer. These Wafers have been before the public for nearly thirty years, and the immense sale attained, not only in America but in foreign countries. fully attest their intrinsic worth. The medical proper-ties are superior to any other articles othered for the cure of Pulmonary or Bronehial Affectious, and the quantity contained in each box is nearly dou-ble that of that of the many worthless imitations advertised. Bryan's Pulmonic Wafers onre Coughts, Colds, Sore Throat, Hourseness, Asth-

advertised. Bryan's Pulmonic Wafers erre Goughs, Golds, Sore Throat, Hoarseness, Asth-ing, Catarrh, Bronchitis, Difheult Breathing, Spit-ting Blood, Pains in the Chest, Incipient Consmp-tion and all diseases of the lungs. Not only, alford-ing temporary relief, but effecting a rapid and last-ing cure and are waranted to give satisfaction in every instance. They do not nauseate like acoholic, compounds, and the medical properties are com-bined in a form so agreenble and pleasant to the taste, that any child will readily eat them. One dose will always afford Relief in Ten Minutes. To Vocalists and Public Speakers, theso Wafers-are peculiarly valuable; they will in one day re-move the most severe occasional hearseness; and their regular use for a few days will, at all times, increase the power and flexibility of the voice-greatly improving its tone, compass and clearness, for which purpose they are regularly used by many professional vocalists. The very great celebrity of this invaluable rem-edy has induced unprincipled persons to prepare base imitations, which disappoint the just expecta-tions of the purchaser, and injure the character of the genuine medicine. See that the word, "BLYAN," is staraped on each Wafor, and also observe the fac sipile of the sig-nature of the Proprietor "JOB MOSES" on each wrapper, to counterfeit which is *forgers*.
