his eightieth year. So intimately has this departed veteran

it is not necessary for us to tell our read- ing his enemy to the best of his ability, ers who General Scott was. It is military when his wife broke out with, reputation was not confined to our coun- sue him for damages!" reputation was not confined to our coun-try, but throughout the civilized world he has been recognized as one of the great captains of the age. His achiev-ments are among the most brilliant mili-tary incidents of our history, and until the breaking out of our great civil war, he stood unrivalled among the living men as far as possible. He occasionally pulled United States.

In the Autumn of 1861 he retired from the command of the Federal army, and increasing infirmitics have since that time prevented his engaging in any active Uuty. Considering his advanced age no one can be surprised at the announcement of

-A respectably dressed individual of the genus loafer, says the St. Louis Press, insulted a lady on Fourth street cars, a few days since, by paying her fare to the conductor before he reached her fare had been paid, asked the conductor if the person on the opposite side was the one. Upon being answered in the affirmative, she said that she had no acquaintance with the man, but that he was continually following her, had three times before paid her fare in the stop to it. By this time the loafer had started for the rear of the car, but not quick enough to escape the incensed applying the toe of a number three crops come to pass. God forbid. undermentionables," propelled him to the sidewalk, after which she resumed her seat, while the spectators rendered a verdict of "served him right." Gold taking full benefit of the panic in Lange of the spectators and the spectators rendered timed, as many of the laboring classes are timed, as many of the laboring classes are timed. The panic in the spectator of the spectator of
