

**THE COLUMBIA SPY.**

INDEPENDENT, FEARLESS & FREE.

COLUMBIA, PA.  
Saturday, June 2, 1866.

When a man loses his health then he fast begins to take good care of it. This is good judgment!

Most people decline to learn only by their own experience. I guess they are more than right, for I don't suppose a man can get a perfect idea on molasses kandy by letting another feller taste it for him.

It is a gitting so now-a-days if a man want to get in the way he ain't happy.

Success in life is very apt to be made up of the time when we wasn't much. It is just so with the frog on the jump; he can't remember when he was a tadpole—but other folks can.

An individual, to be a fine gentleman, has either got to be born so or be brought up so from infancy; he can't learn it sudden any more than he can learn how to walk or how to talk.

I wonder if there was ever an old maid who ever herd on a match that she thought was suitable.

If a man wants to get in his actual dimensions let him visit a grave yard.

I suppose Adam is the only man who ever lived and never spanked.

I have often sett down square on the ice, but I never could see any thing in it, but I never could see any thing in it, but I never could see any thing in it.

Precepts are like hold but wheat slaw jacks—nobody feels like being sassy, but nobody wants to be adopted them.

If every man wants to be an olde bachelor, and get sick at a boarding tavern, and have a bad room in the 4th story, and have a red haired chamber maid bring his water gruel to him in a tin wash basin, I have always sold, and I stick to it yet, he has got a perfect right to do it.

It is a dreadful easy work to repeat or other folks sins—but not very profitable.

There is more chastity and buty among the fair sex than there is good sense. (P. S.—I am ready to have mine ears boxed for saying this.)

I travelled 4 months, last winter, through the country, and brought him bed bugs enuff in my portmanteau to fit out 2 new canal boats.

Owing to the high price and grate skarsity of fuel, in Na York city, munny or the vast families are using *cutshill* caloes. They say it helps finish out a leg or mutton fast rate.

The following rather racy marriage notice appears in the papers:

Married.—By Dr. J. A. Sherrill; at twilight on Wednesday evening, Feb. 28, 1866, in Catawba county, N. C., at the house of the bride's widowed mother, Mr. A. A. Garrille to Miss Lizzie Milligan, after a short but most delicious courtship.
