These Wafers have been before the public for nearly thirty years, and the immense sale attained, not only in America but in foreign countries, fully attest their intrinsic worth. The medical properties are superior to any other articles offered for the quantity contained in each box is nearly double that of that of the many worthless imitations advertised.

Bryan's Pulmonic Wafers Bryan's Pulmonic Wafers cure Coughs, Colds. Sore Throat, Hoarseness, Asthma, Catarrh. Bronchitis, Difficult Breathing, Spitting Blood, Pains in the Chest. taste, that any child will readily cat them. One dose will always afford Relief in Ten Minutes.

To Vocalists and Public Speakers, these Wafers are peculiarly valuable; they will in one day remove the most severe occasional hoarseness; and their regular use for a few days will, at all times, increase the power and flexiolity of the voice, greatly improving its tone, compass and clearness, for which purpose they are regularly used by many professional vocalists.

The very great celebrity of this invaluable remedy has induced unprincipled persons to prepare base imitations, which disappoint the just expectations of the purchaser, and injure the character of the genuine medicine.

See that the word, "BRYAN," is stamped on each Wafer, and also observe the fac simile of the signature of the Proprietor "JOB MOSES" on each wrapper, to counterfeit which is forgery. [T-Offending parties will be dealt with to the full extent of the law.
