MR. EDITOR:-In the absence of Congress and the Presidential party, little is occurring to vary the monotony of life in Washington. Yesterday, however was a day of great interest to the Catholic portion of the community, the occasion being the consecration of the new bells, four in number, recently procured for the tower of St. Aloysius Church, in the presence of not less than fifteen thousand persons.

The largest bell weighs 3600 pounds and was donated by Mr. Alexander Pro vost of this City.

The procession, under the management of Father B. F. Wiget, composed of Sabbath Schools and other societies from this City and Georgetown, paraded the principal street. The Marine, the 12th U. S. Infantry and Espanier's Bands furnished the music.

At the depot, Archbishop Spaulding, vho arrived in a special train from Bal timore, joined the procession.
