GEARY CLUB BALL .- The Zouave Battalion, belonging to the Geary Club of this place, gave a Ball in Odd Fellows' Hall on Thursday evening last, It was a most perfect success, everything being conducted with nicety and order. The Hall was handsomely decorated around the wails with paintings of the different Corps Badges, and in the centre hung the beautiful flag which was presented to the Zouaves by the patriotic ladies of Columbia, many of whom were present. The Zouaves were dressed in uniform and everybody was pleased with their conduct, general arrangements, the politeness of the officers and the attention of the managers. The ladies looked happy and pretty, and were dressed neatly. The occasion had more than usual eclat added to it by the presence of Gen, Gregg, who has been sojourning here as the guest of Maj. THE AMERICAN JEWELERS ASSOCIATION calls your attention to the fact of its being the largest and most popular Jewelry Association in the United States. The business is and always has been conducted in the most candid and homorable manner. Our rapilly increasing trade is a sure guarantee of the appreciation of our patrons for this method of obtaining rich, elegant and costly goods. The subtlen stagnation of trade in Europe, owing to the lite German War and recent disastrous financed crisis in England, has caused the fadure of a large number of Jewelry Houses in Lowdon and Paris, obliquing them to sell their goods at a great sacripice, in some instances less than one third the cost of manufacturing. We have lately purchased very largely of these Bankrupt Goods, at such extremely low prices that we can afford to send away Finer Goods, and give better chances to draw the most a maletances.
