HALL'S VEGETABLE SICILIAN

HAIR RENEWER,

The effects of which are to RESTORE THE HAIR NATURAL COLOR,

AND PROMOTE ITS GROWTH. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the vegetable kingdom. It cures all diseases of the scalp, and allays all that heat and irritation, and furnishes a nutritive principle by which the hair is nourished and supported, and by its remedial virtues, it causes the hair to grow where it has fallen out, and restores it to its natural color when gray. The old in

appearance are made young again. It will keep the hair from falling out.

It is not a Dye, it strikes at the roots and fills the glands with new life and coloring matter. It is the best

HAIR DRESSING

Ever used, making it moist, soft and glossy. It removes dandruff, and all those scurvy eruptions. It does not contain oil and alcohol, which dry up the secretions upon which the vitality depends. No person, old or young, should fail to use it. It is recommended and used by the FIRST MEDICAL AUTHORITY.

Our Treatise on the Hair sent free upon R. P. HALL & CO., Proprietors, NASHŪA, N. H. SOLD BY ALL DRUGGISTS.

Recommended by all Doctors, for washng purposes. 75 cents per bottle, at

but deadly. tution becomes enfeebled, and the child cold air into it at a pressure of fifteen

gets worke The cause, perhaps, is never traced to over growded sleeping-rooms without proper air, but it is nevertheless the right and. An intelligent mother having acquainted herself with the principles of ventilation, will not retire to her own room for the night without having provided sufficiency of air for her children in the same manner that she provides and regulates their night covering, or any requisite for refreshing slumber. Sometimes by judiciously lowering a window.

and at other times by leaving a door wide open, this end may be attained.

posed to a direct draught.

"Dame Fortune's Freaks." The Newville Star says that a young and the administrator is much perplexed man now engaged in teaching "the young idea to shoot" in Mifflin town-ship, Cumberland county, is reported to be the happy recipient of an estate valued at\$75,000. This freak of fortune is tinctured with the colors of romance .-Belonging to one of the Pennsylvania was thus laboring when his ettorney think abouts, and they are skipping along

Fortune smiles on the brave. Tobacco.

There are about thirty species of tobaco, all posessing nearly the same properties. It is said the plant was first found in Yucatan. It was taken to Spain and from there to Portugal. From Portugal it was carried to different European kingearly settlers of Virginia.

panies, superadded to his investments in provement of our times. the Atlantic cable scheme. His creditors he is now engaged in the same service to be constructed at a cost of \$2,500,000

Steel Rails. Burd Patterson, in an article in the Miner's Journal says that steel rails for railways will last twenty times as long as iron rails. He alludes to the iron rails on the Reading Railroad at Pottstown

lasting but three years, and remarks as

follows: "All the steel rails now used in England have two treads. Mr. John L. Pott and Mr. Lewis Griffith, have returned to this place from a three months visit to England, Scotland and South Wales, for the purpose of examining the Steel Works making steel by the Bessemer process. They took letters of introduction from Governor Curtin, and were freely admitted into all the large works. They have obtained much valuable informake it a duty to visit the sleeping mation. They saw a portion of 10,000 tons of steel rails now being made by order to be satisfied that the lights are Brown & Co., of Sheffield, for the Pennextinguished, and that no danger is sylvania Railroad Company. Steel rails threatening their little ones. But if they imported at this time will cost about two leave the room with closed windows and hundred dollars per ton; iron rails ninetydoors, they shut in as great an enemy as five dollars per ton. We must make our fire, although his ravages may not be so own steel rails and quit using iron rails. readily detected .- Poison is there slow Safety and economy both demand it .-Very many of the old iron works in Morning after morning do may little chil- England, Scotland and Wales are putting dren wake weary, fretful and oppressed- up Bessimer Steel Converters. pounds to the square inch."

The Dead Alive. In the year 1849 a young man left the city of Richmond for California, where his efforts proved successful, and in time he amassed a fortune. He kept up a correspondence with his relatives there until the beginning of hestilities, when mail facilities being cut off, his family heard no more of him. After the close of the war a report of his death reached Richmond, and he was duly mourned as a son and brother lost. His father, a wealthy citizen, died in the mean time, In many houses the day and night and his estate was duly administered nurseries communicate. When this is upon and divided among the remaining the case the window of the farther room | heirs.
