The Real Velpau Female Pills.

[Warranted French.]

These Pills, so celebrated many years ago in Paris tor the relief of female irregularities are now offered for sale for the first time in America. They, have been kept in comparative obscurity from the fact that the originator. Dr. Velpau, is a physician in Paris of greative alth and conscientious principles, and has withheld them to on genesal use, lest they should be employed for unjawful purpeses. In overcoming female obstructions they seem really omnipotent. They are offered to the public only for legitimate purposes, and all agents are forbidden to sell them when it is understood that the object is unlawful. Sold'by R. Williams and Dr. Parry, Columbia.

Ladies can procure a box scaled from the eyes of the curious by enclosing \$1 and six stamps to O. G. Staples, General April 28. Watertown, N. Y. or to the above agents. Dr. Schenck's Pulmonic Syrup

Dr. Schenck's Rulmonic Syrup.
This great medicine cured Dr. J. H. Schenck, the proprieror, Pulmouary Consumption, when it had assumed its most formidable aspect, and when speedy death appeared to be inevitable. His physicians pronounced his case incurable, when he commanced the use of this simple, but powerful remedy. His health was restored in avery short time, and no return of the disease has been apprehended, for all the symptoms quickly disappeared, and his present weight, is more than two hundred pounds.

hended, for all the symptoms quickly disappeared, and his present weight, is more than two hundred pounds.

Since his recovery, he has devoted his attention exclusively to the cure of Consumption, and the diseases which are usually complicated with it, and the cure's effected by his medicines have been very numerous; and truly wonderful. Dr. Schenek makes professional visits to several of the larger cities weekly, where he has a large concourse of patients, and it is truly astonishing to see poor consumptings that have to be lifted out of their carriages, and in a few months healthy, robust persons. Dr. SCHENCK'S PULMONIC SYRUP, SEAWEED TONIC and MANDRAKE PILLS are generally, all required in curing Consumption. Full directions accompany each, so that any one can take them without seeing Dr. Schenek. but when it is convenient it is best to see him. He gives advice free, but for a thorough examination with his Respirometer his fee is three dollars.

Please observe, when purchasing, that the two likenesses of the Boctor—one when in the last stage of Consumption and the other as he now is, in perfect health—are on the Government stamp.

Sold by all Druggists and Doalers. Price 1.50 per bottle, or 7.50 the half dozen.
