RELIEF IN TEN MINUTES.

BRYAN'S PULMONIC WAFERS AT The origin Medicine established in 1837, and first article of the kind ever introduced under the name of "Pulmonic Wafers," in this or any other country; all other Pulmonic Wafers are counterfeits. The genuine can be known by the name BRYAN being stamped on each Wafer.

These Wafers have been before the public for nearly thirty years, and the immense sale attained, not only in America but in foreign countries. fully attest their intrinsic worth. The medical properties are superior to any other articles offered for the cure of Pulmoarty of Bronchial affections, and the quantity contained in each box is nearly double that of that of the many worthless imitations advertised.

Bryan's Pulmonic Wafers Bryan's Pulmonic Wafers cure Coughs, Colds, Sore Thront, Housenness, Asthma, Caberth, Bronchitis, Difficult Breathing, Spitting Blood, Pains in the Chest, incipient Consumption and all diseases of the lungs. Not only affording temporary relief, but effecting a rapid and lasting cure and are warranted to give satisfaction in every instance. They do not naussate like acoholic compounds, and the medical properties are combined in a form so agreeable and pleasant to the dose will always afford

To Vocalists and Public Speakers, these Wafers are peculiarly valuable; they will in one day remove the most severe occasional hoarseness; and their regular use for a few days will, at all times, increase the power and flexibility of the voice greatly improving its tone, compass and clearness, for which purpose they are regularly used by many professional vocalists.

The very great celebrity of this invaluable remedy has induced unprinciped persons to prepare base imitations, which disappoint the just expectations of the purchaser, and injure the character of the genuine medicine.

See that the word, "IRYAN," is stamped on each Wafer, and also observe the fac simile of the signature of the Proprietor "JOB MOSES" on each wrapper, to counterfeit which is forgery. ID Offending parties will be dealt with to the fall extent of the law.
