Philadelphia Cancer Hospital.

DHILADELPHIA Cancer, Hospital.—
Professor R. H. Kline, Principal Physician and Surgeon to the Philadelphia Caucer Hospital, office No. 931 ARCH Street, is daily making astonishing and most miraculous cures of Cancer by the most scientific and lately approved remedies known to the civilized world, among which are his great Cancer Antidotes, wonderful treatments that operate specifically upon the Cancer and cancerous affections, antidoting, killing and destroying the Cancer, every particle, root and fibre belonging to it or them, without pain or the use of the knife, without caustic, eating and burning medicines, without the loss of blood, or in the least affecting the sound fiesh. No other treatment should ever be used. No other-persons have these antidotes. To investigate these treatments, to see patients under treatment, and to examine the terriple specimens thus removed, call and see or address.
