Pennsylvania Senate, will please accept ou thanks for valuable documents. Interesti no religious revivals are not being held in the Methodist, Lutheran and

United Brethren churches of this place. PUBLIC SALE.—Read the advertise mentof John P. Staman, in another column. He offers some valuable stock and othe

personal property at public sale. THE work of grading the extension of Locust, Walnut, and Third streets, is being vigorously executed by gangs of workmen. Third street has been extended to the Marietta pike, westward.

Our hotel keepers who are fortunate enough to have ice houses, and who nee lected to lay in their supply of ice during the last opportunity, are now busily enga ged in storing away the summer luxury:

THE bod, of George Funk, who was drowned some time since, in the Susquehauna river, has not yet been found. Should the body be found at any time, we hope the parties will be good enough to forward it to his parents, at this place.

SENTENCED .- William Donavan, the murderer of the Souibb family, in York county, was sentenced on Monday last, by the Court, to suffer the penalty of the law. He declares his innocence for the murder for which he has been convicted.

THE time of the workingmen in the shops of the Pennsylvania Railroad, in this place, has been reduced to nine hours per day, which causes a reduction of ten per cent in their wages. The shops close at five o'clock instead of six as heretofore.

STATE TEMPERANCE CONVENTION .-The Pernsylvania State Temperance Convention, will convene at the Court House, in Harrisburg, on Tuesday, the 18th day of February next. The fare on the different -railroads will be reduced to persons who wish to attend.

NEW COUNCIL.—Our new Council was organized on Saturday evening last, as will be seen by the proceedings in another column. It is an intelligent body of men, and we look to them to inaugurate many reforms in our municiple code, demanded alike by public justice and public policy.

PRINTING ENGINE.-Messrs. Supplee & Bro., of this place, are about completing an engine for Mr. Hiram Young, publisher of the True Democrat. York. Pa. It is similar to the one this firm built for the SPY, and we can safely say they are the best and cheapest engines ever built for this pur-

ICE HARVEST .- Our ice dealers are taking advantage of the present cold snap, and are busily employed in filling their ice houses from the Susquehanna river and the Canal. It is of the very best quality, and judging from present indications there will be an abundance of ice to supply the demand during the summer.

THAT PORKER .- The porker which was put up at the pigeon shooting match, at Hess' tavern, on the Columbia turnpike, on the 10th inst., and won by a Mr. Williams. of Philadelphia, who shot eight birds out Dinan, Lancaster, on Wednesday last, and after being dressed weighed 715 pounds.

A NEW FIRM .- J. A. Jordan and M. Booth have purchased the stock, good will, and fixtures of the tobacco and segar store of the late G. M. Booth, deceased, and entered into a co-partnership to carry on said business, at the old stand, Locust St., between Front and Second, this place. Read their advertisement in another column, and then call and see them. They have every variety in the tobacco line.

CHEAP PRINTING .- The COLUMBIA SPY Steam Job Printing Office is the place to get your printing done neatly, and at cheaper rates than any other office in this part of the county. Breneman, Esq., in Laneaster city, with the following result:-President-C. S. Kauffman; Directors-Josiah Bacon, J. D. Cameron, G. C. Franciscus, Philip Gossler, Maris Hoopes, W. J. Howard, H. J. Lombaert, Wistar Morris, George B. Roberts, George Small, Edmund Smith, Jacob Tome.

RETRENCHMENT is a good thing. It was certainly commendable in the Council selecting the Columbia National Bank for Treasurer, which will save enough yearly to pay the interest upon half of our debt. But why did not Mr. Crane (who don't talk for "bunkum,") oppose the appropriation of one hundred dollars to the Burgess?

He may be an efficient or a very inefficient officer. He may be a dear bargain at no salary at all. It would have been well to have waited until next December before passing any ordinance fixing his compen-

Business Change.-It will be seen by an advertisement in another column, hat W. W. Fry, formerly of Fry & Kurtz, has entered into co-partnership with I. C. Caldwell, for carrying on the wholesale notion business at 406 Market street, Philadelphia. Mr. Fry is well known in this vicinity, and he enjoys the fullest confidence of the business public. He is a firstclass business man-enterprising, reliable, courteous, and good looking. He is as the best salesmen in the city, and has a thorough knowledge of his business. Our merchants should call and see him at the

new stand. How are you, Ralph? A PRESENTATION -Yesterday afternoon, a silver service, consisting of twelve pieces, was presented by the employees of the Maintenance of Way Departm Philadelphia Division, Penn'a Railroad, to J. C. Sharpless, resident engineer of this division for the past ten years, and who has resigned this position for the purpose of should rejoice in its continuance. Exercise engaging in other business. THE new brew house of Messrs. Sprenger & Weidler, on Walnut street, this place, is now in operation, and four brews have already been made with great success.

CHANGE OF FIRM .- Mr. Christian Myers, steam carriage manufacturer, of ce, has associated with him in business, Mr. Wm. Pinkerton, and is now established under the name of Myers & Pinkerton, for the manufacture of, all kinds of vehicles. The success of Mr. Myers as a rriage builder, is every where known, and his establishment will lose none of its reputation by the addition of such a splenid mechanic as is Mr. Pinkerton.

GERMAN BITTERS.—We insert in this issue an advertisement of Hoofland's German Bitters. These bitters are so well known throughout the country that they need no comment at our hands. All druggists concur in saying that they are the best in use, and that the preparation contains nothing that will injure the system; but at the same time will help to build up a worn out or dyspeptic constitution. Hundreds! yes, thousands of persons can testify to the good effects derived from this invigorating tonic. To our own certain knowledge we know of several cases of dyspepsin cured by the timely aid of these bitters. It can be had at R. Williams' and Meyers' Irug stores, Columbia, and of druggists

generally.

PERSONAL .-- Last week our esteemed riend and correspondent, Philip F. Wisler, Esq., of Newportville, Bucks county, paid a visit to Columbia. He expressed himsolf highly pleased with the prosperity, growth, and enterprise of his native town; said he scarcely knew the place, it having been about twenty-five years since he left here—then a small village—now almost a great city. He was on the editorial staff o ths SPY upwards of thirty years ago, and he seemed greatly surprised at the changes that has taken place since that time. The the Spy was worked on a Washington or a Ramage press. Now, he was gratified to see an improved power press pile up the sheets at the rate of two thousand per hour, worked by a six horse power engine. We hope to hear from Mr. W. soon, giving some account of his visit.

THE BALL.-The ball to be given by the Sons of Malta, of Columbia, for charitable purposes, on Thursday evening next promises to be a great success. Our ladies and gents are on the tip-toe of excitement in reference to the grand event. The tickets are out and about fifty have already been sold. We learn that Prof. Keffer has composed a piece of music especially for the occasion, entitled the "Sons of Malta March." The hall will be opened at 81 o'clock P. M. Grand March at 9 o'clock, and the "Malta March" at "low twelve." Every gentleman should be accompanied by one or more ladies. No person will be ermitted to pass the guards without a ticket. Tickets not transferable.

THE HIGH CONSTABLE.—Some of the Copperheads are in tribulation because heir candidate for High Constable is disqualified from serving, and intimates that was the fault of the Assessor-that he was too lazy to copy his name from the county duplicate, all of which has no oundation in truth. His name does not appear upon the borough, county, or ten day assessment made last fall. The talk about "disfranchising white men" and a "little more blood-letting" is all bosh—uoody is to blame but the Copperhead caucus that settled their ticket. In seeking for candidates in the "sauer kraut guerilla vard" it would have been better had they first appointed a committee to pay the tax-es of their candidates, and make them eligble to hold office. Lyle voted for years in West Hempfield township, and was assessed there as late as 1865. The member of Council who asserted that he voted uninterruptedly in Columbia for more than twenty years, knew not whereof he was asserting. Those Copperheads who are clamorous for the Court to settle the matter, could be very much surprised to find the whole box in the Third Ward thrown out, which would elect most of the Republican ticket.

CORPORATE ELECTIONS .- On Monday the 6th inst., the following persons were elected Directors of the Columbia Water Company: Samuel Shoch, John Cooper, Washington Righter, George Bogle, Joseph H. Black, Thomas Collins, Geo. W. Me-

HARD TIMES .- Notwithstanding the cry of hard times, the amount of goods sold n Columbia is astonishing. There seems to be a crowd of buyers at the store of I. O. Bruner at all times. The reason is, he has goods just suitable to the times, and is selling them at remarkably low rates. A new ot of boots, shoes, and domestic goods just eceived.

FOR CONGRESS .- We see it stated in one of the Leavenworth, (Kansas,) papers, that Alex. Caldwell is named as the Repub lican candidate for Congress in that district. Mr. C. was formerly of this borough, having for a long time held a responsible position in the Columbia Bank. The citizens of Leavenworth could not send a truer nan to represent them than Mr. Caldwell.

Samuel Pennock, of Kennett Square, Chester county, has secured a patent for a machine which he styles a "Railway Safety Attachment." It is intended to be attached to cars, and in case of collision, to absorb the momentum and prevent serious results. Some time since a practical test of its benefits was made on the Baltimore Central Railroad — where two cars, one going at the rate of 17½ miles and the other at 12½ miles, were run together. Neither of the cars, we are informed, sustained any damage, and were not thrown from the track. We understand that one Dr. J. R. Rowan, of Philadelphia, has a patent for something which he claims will answer the same purpose. The feasibility of the latter is to be tried on the Pennsylvania Rrilroad in a short time.

At about eleven o'clock on Tuesday evening last, a fire broke out in the stable of S. L. Leaman, on the left bank of the Conestoga Creek, in West Lampeter twp, which consumed the building and its contents. A wild bear got loose from its fastening, in Lancaster, a few days since, and created quite an excitement by its appearance in North Queen street, that city. It was a mere cub and was apparently as much frightened as the people. He was finally cornered and captured.

NAMES OF STREETS AND ALLEYS .-The following are the resolutions adopted by Council, at its meeting held on the 3rd inst., giving names to our streets and alleys:

SKATORIAL.—There is now good-skating on the "Susquehanna Skating Park."
A few of our enterprising young men have cleared a large space and put the ice in splendid order, and our juveniles are now on the gui vive upon matters relating to this fashionable and popular sport. The Frost King, like other Kings, regulates the longth of time his carnival shall continue, and in glancing at his previous course in this partitudin, we can safely promise the voturies of the "poetry of motion"—on ice—to continue but a short time in which to cut spread-engles, high dutch, and other strange and mysterious feats so "delightful to be and," but so difficult in execution by those not skilled in skatorial science.

It is only a few years since skating was accepted as a popular amusement, but during that time it has risen rapidly in general favor. With the single exception, perhaps, of base ball, no outdoor sport receives so much attention and occasions so wide-spread un interest. It has indeed one clement of popularity the former has not: it recognizes no distinctions of sex. Howover opinions may aliffer in respect of woman's admission to the polls, nobody doubts her right to the ponds. With all the social advantages of croquot, skaling has a larger share of spirit and enthusiasm. The cold weather, then, should be called blessed, and non-skaters no less than skaters, should rejoice in its continuance. Exercise in the open air should be encouraged from a sense of mational pride. Nothing else will surely relieve us from the reproach of the physical inferiority of Americans—too often well founded, especially in respect of vomen. The livingorating air of a crisp skating day will color the check more richly shanny artificial contrivance, and strength—so large in the open air should be called bessed, That the alley running from the physical inferiority of Americans—too often well founded, especially in respect of vomen. their respective offices. The new Councilmen having taken the seats, on motion of Mr. Shreiner, Council proceeded to elect its officers for the ensuing year. The President appointed Messrs Shreiner and Detwiler, Tellers. The elec tion resulted as follows: President, A. S Green; Secretary, Geo. H. Richards; Super visor, D. S. Chalfant; Market Clerk, C. A. installation of Samuel Lyle, High Constable elect, when Samuel Evans, Esq., presented the following written protest against it: To the Town Council of the Borough of Co-

To the Town Council of the Borough of Columbia:

The undersigned, an elector of the Borough of Columbia, begs leave to enter this his protest against qualifying Samuel Lyle as High Constable of said Borough, for the ensuing year, for the reason that he was not a qualified elector on the 6th day of January, 1868, and consequently was not eligible to hold said office. Upon an examination of the Borough Duplicate, his name does not appear therein, hence he could not have paid a legal Borough tax.

The 1st paragraph of 28rd Clause, Section 10, of the Borough Charter, says that the Corporate officers shall "lay and collect annually, for Borough purposes, any tax, not exceeding one cent on the dollar on the valuation assessed for County purposes, as now is or may be provided by law." It will thus be seen, the manner in which the Borough Duplicate is made out.

Section 19th, says: "That every person entitled to vote for members of the general assembly, having resided in the Borough one year immediately preceding the election."

Section 23rd, says: "That electors only

election."

Section 23rd, says: "That electors only shall be eligible to Borough offices."

The above protest together with extracts from the Borough Charter, is respectfully submitted for your consideration in the hope that you will give the matter a searching and thorough investigation to the end, that the provisions of the Charter of the Borough be strictly complied with.

Yours, &c.,

SAMUEL EVANS. SAMUEL EVANS. COLUMBIA, Jan. 11th, 1868.

After a short discussion, on motion of Ma Detwiler, it was Recolved, That the qualification of Samuel Lyle as High Constable, be and the same is hereby referred to our Solicitor, with all necessary documents relating to the case, and that a Committee of three be appointed to secure said documents.

Committe-Messrs. Detwiler, Upp and Supplee.

saloon. A large number of witnesses were sworn, all of whom stated that they imbibed a little. The defendant was bound over to answer at January Session. Assault and Battery .- Joseph Shirk was arrested for committing an assault and battery upon Charles Winkleman, at Helfrich's beer house aforesaid. The defend-

ant waived a hearing and gave bail to answer at January Session. [For the SPY.]

Our Borough Elections. MR. EDITOR.—At no period since the defeat and repulse of the Federal army at "Bull Run" has the Copperheads of our Borough manifested so much joy and exultation, as they recently exhibited on the occasion of their election of the Chief Buroccasion of their election of the Chief Burgess, and three or four other candidates. Our defeat resulting entirely from certain local issues which arose with our Republican friends, in regard to the urgent manner by which our candidate (our late Chief Burgess) imposed fines and penalties upon those violating our Borough Ordinances. The Smut-Machine has no less than seven bombastic articles in its Satanic columns, devoted to the stupendous lie, that our Borbombastic articles in its Satanic columns, devoted to the stupendous lie, that our Borough is Copperhead in sentiment. Or, that on a fair issue, that our usual majorities would be abated a single vote. The proceedings of the Council of Saturday last, presents the fact that these oily fellows elected into the Council, are alive to the interests of their party and political friends. elected into the Council, are alive to the interests of their party and political friends. The movement upon the motion of Mr. Crane, to elect the First National Bank a depository for the Borough funds, was only a ruse to displace our former trustworthy and efficient Republican Tressurer—knowing that the office and emoluments could not be conferred upon their own party. Had these gentlemen made a motion to not allow any compensation to their Copperhead Chief Burgess, (whose duties are only nominal,) our citizens would certainly have accredited them as advocates of retrenchment, and that their motives were sincere and genuine. "Senate."

Rally, Democrats!-War! War! War!

Democrats, arouse! Our brethren in the South are in great danger; the Radical "Rump Congress" is about to take away the last rights of those of our brave brethren, with whom we sympathized and in many ways aided during the late unpicasantness between the sections. Everything is gone, and we cannot sit idly by and look on the destruction of our country,—(the South.) White men must rule, and the Government must be placed in the lands of those who fought so bravely for their country—with Lee, Johnson, and Bragg, and our brave Southern leaders. Awake! from your sleep and strike a blow for your fellow patriots of the South. Buckle on the armor; bring out your muskets; and fight for your rights. Free whisky, free Democracy, and the nigger back to his former condition. The war is coming—Capt. Young says so; and having fought so bravely and well in the late war for our outraged brethren, Capt. says we must buckle on the sword; we must fight,—and sure don't Capt. Young know? Let us all rally, then the Capt, will be on hand and take charge of all recruits. Let all attend this Saturday evening at the Insurance office. Recruits wanted. None need apply who fought against our unfortunate Southren brethren, as they will not be accepted. Senate. Rally, Democrats!-War! War! War!

[For the "SPY."] Borough Solicitor. MR. EDITOR.—At a meeting of the Council the other evening, the names of A. J. Kauffman, Esq. and H. M. North, Esq., were in nomination for the office of Solicitor. The former is an attorney of experience and ability, a sterling Republican, and one who has given much service to promote the interests of our party; the latter has no affinity with our cause. Mr. Kaudfman, it is perceived, received two votes. Mr. North received seven votes. We believe there are yet six members of the Council who were elected as Republicans. How is it, Messrs. Shreiner and Supplee are you ye
