were both silent for several moments. At length he said, " Doctor Littlejohn is a contemptible, unprincipled villain! How could he treat poor Madelon so cruelly? I ept me, an' I hasn't never heard of a man who was so entirely y 'cept me, an' I hasn't hever heard of a main who was so enaltery devoid of bonor and feeling. He thinks to compel you to wed him, because he holds this mortgage, and because your father is in his power, does he? We shall see-we shall see-although I an very sorry the Judge killed Mark Winthrop when they quarreled-very sorry indeed. I must see Doctor Littlejohn when he returns. This mortgage must be paid, and then we must arrange other matters the best way we can.' " If the mortgage was but paid, other matters would soon be settled," said Leonore, smiling: "my father would then be entirely free from his power, and have no cause to fear him." "I do not understbnd you," he replied.

-

"Would he not have your father arrested for the murder of Mark Winthrop?" She laid her hand on his shoulder and

ot forsaken me! He whispered a few words in his ear. He started, and a glad smile played over aimed the fair girl, as his features.

the path, her heart "The mortgage shall be paid off this very lltuous joy. Jugh her framo when day !" he exclaimed, "and then Doctor Littlejohn had better start for Georgia withdoor, and she paused out delay, for his life isn't safe here. Oh ill to regain her comthis is fortunate, Leeny; very, very forver breath: then she tunate !" parlor, pale and firm.

" My father knows not of the joyfal surhe sofa, thin and careprise that is awaiting him, and you must cane beside him. A not tell him, Frank." " I will not, I promise you, for that would ver his face when he

step, and heattemptspoil all : poor old man! he will be so hapher, forgetting for an py when he sees the strange turn affairs have taken, and old Littlejohn will go mad e sofa with a sigh, and onore was at his side. with rage! Ha! ha! ha! it will be a rich scene, and I shall enjoy myself famously at the doctor's wedding. What time will be ne home again, dear and her arms twined neck, while her head return with the necklace for his bride?"

"About sunset." "I shall be here before that time, for I breast, the glossy curls wish to see the Judge."

" He will be at home at four o'clock : but clasped her silently, you must stay to dinner! You are not going away so soon ?" of old—and then she

"I would like very much to spend the whole day with you, but I cannot. Leeny, don't be angry, for I shall be here again, this evening ; I angoing to the bank after money which I need for immediate use." happiness; a blissful hearts that unkind Oh, Frank! my poor old father may never be able to pay you again, but he will try hard, and he will be so grateful." She burst into tears, overcome with grather from his embrace, itude and joy.

"Don't weep, Leeny," he said, folding her to his heart, and kissing her brow: a welcome like this, "you shall repay me ere long, with gentle words and loving smiles.'

Pure joy was in their hearts, and uncold to me. because I and and unyielding in speakable tenderness in their gaze, while position. But now I words of love were whispered from soul to this meeting more soul, amid smiles and tears. hardship and suffer- And when they parted, Leonore went up

You are not as much to her own chamber, where she sat musing bade you farewell, are away the hours until Phillis called her to the noon-day meal. Frank came again towards evening.

ed. "I wronged and Judge Ashley received him kindly, and it a cause, and while while Leonore was dressing for tea, the nt I have often wept, youth and the old man went into the library. parting : believo me, where they spent over an hour together. all I can say is, forgive

The evening passed away pleasantly, for fortunately Doctor Littlejohn did not arrive im with tears, were until ten, and Frank was at home by that
