Curious Case of Combustion. The Muscatine (Iowa) Courier says that a little boy, son of Mr. Wobb, of Murengo, fell backwards into a boiler of hot water and severely scalded his shoulders, and that some kind of oil was employed and the little sufferer placed in bed. Shortly afterwards unother oil was rubbed on his shoulders over the first. The little fellow soon screamed piteously, and smoke was observed rising from the bed. An examination resulted in the discovery that the sheets wore on fire, and that the boy's back was literally rousted. Indeed, so severe were his injuries, that he died in a few hours. Physicians who were called gave the opinion that the mixed oils applied to the first burn had produced spontaneous combustion, which had ignited

The Pope and Rome. It is stated in some foreign journals that the French ambassador has informed Cardinal Antonelli, that Napoleon cannot continue to protect Rome and the Papacy continue to protect Rome and the Papacy unless his Holiness consent to certain reforms in his government which were suggested as far back as 1860. 'Antonelli's reply is said to have been that he could not presume to speak on that subject to the Pope until all the estates of the Church were restored 'to him. As Victor Emmanuel certainly will not surrender one acre of the treffer, which he grained in 1859 and 1860. territory which he gained in 1859 and 1860, this reply may be considered as not merely an evasion but a refusal. Naples, it is reported, is much disaffected, and desires the restoration of her late ruler, King

A Bad Mistake. A ludy writes us, says the Louisville Courier, complaining that the pudding she made according to a recipe given in our paper last week, was not fit for a dog to eat. If she will again refer to the paper she will find that the recipe was for making a politice, not a pudding.

"MISHLER'S BITTERS. TO MORE CHANCE TO ADUL-

MISHLER'S HERB BITTERS ILL BE SOLD, HEREAFTER ONLY IN GLASS IT CAN BE PROCURED OF ALL DRUGGISTS. In making the above change, and discon-inuing entirely the sale of Mishler's Herb Bitters in bulk, the proprietors deem that he people should be informed of the suses which called forth such action on

the people should be informed of the causes which called forth such action on their part.

In the first place, we hold that Mishler's Herb Bitters is not a beverage, we never intended it to be used as a beverage, but that it is a medicinal preparation of various herbs, de., compounded upon scientific principles, and in exact accordance with the formulæ of the plurmacopoia in the preparation of the inctures, de., compound tincture of cighteen different Herbs, de., and, as far as possible removed, and differing from the many so called Tonics, Bitters, Cordials, Stomachies, which, for the most part, are nothing but so many disguises assumed by whisky, and as for the most part composed of the major portion of the very vilest quality of that article, flavored with some strong drugs to destroy the nausea of the same, in order to tickle the palate, minister to a deprayed taste and afford a plausible excuse for persons to drink whisky under a different name.

Mishler's Herb Bitters has been sold in bulk. In this particular it has been unfortunate, for it had thus been placed directly in contact with the above mentioned, and although its intrinsic merit and, sterling worth has enabled it to susmin its high character, yet the people have naturally a certain distrust of the article when it is found to be classed in the same category with a number of whisky preparations, bar drinks, and boverages.

This is the one great advantage against which Mishler's Herb Bitters has to contend, but there is still another—The demand for it has caused many unprincipled persons, who are not content with the profit derived in a legitimate manner from its sale, TO INCREASE THEIR GAINS BY ADULTERATION. They will purchase, perhaps, a barrel, and by the admixture of cheap whisky and water, in-

prietors and injuring the reputation of the article.

This is the most serious objection, but there is still another.—Our desire to have this preparation for sale on the shelves of every druggist, and country store dealer, thus placing it within easy access of all classes and every section of the country. If the Bitters are sold in bulk, it is retailed principally at hotels, restaurants and taverns, so that druggists and merchants cannot safely, and profitably sell it to their customers. At the hotels the Bitters is oftimes fearfully adulterated; while when in bottles, it is impossible to tamper with the medicine without fear of detection. In hotels-it must be sold as a beverage; which is not the object of its manufacture, while as a medicine, securely scaled in a proper sized bottle, the Bitters can be retailed from the counter of every druggist and merchant

the counter of every druggist and merchant MISHLER'S HERB BITTERS ARE NOW ONLY SOLD IN BOTTLES. Let this fact he remembered by the public, who may consider all other preparations sold in bulk, and under its name as base and worthless counterfeits.

PROVIDENCE, R. I., NOV. 23, 1897.
DR. S. B. HARTMAN & CO.

GENTS. Please send me, immediately, my usual; complement of your Bitters, as what I have on hand is going off rapidly, and will soon be exhausted.

I have been very successful in curing with the Bitters a very distressing case of Scrofula. The patient is a young man who was afflicted with the disease, for years. Five bottles of the Bitters, with one of green label, cured him entirely.

You have not recommended your Bitters for worms in children, but from a case that has passed through my hands, I am satishas passed through my hands, I am satis-fied that MISHLER'S HERP BITTERS fied that MISHLER'S HERR BITTERS can be relied on as a specific in such disorders. The facts of the case are as follows: A gentleman, whose wife had been using the Bitters, has a child of about six years, of age, who was sadly afflicted with worms and reduced to a mero skeleton. Quite a number of our prominent physicians prescribed for the child, but without avail. The gentleman finally concluded to try your Bitters, and commenced giving the child a half teaspoonful three times per day. On the third day of this treatment the Bitters caused trouble with the worms, and the father says it fairly frightened him to see the immense number of worms that

to see the immense number of worms that plassed from his little sufferer. The child has rapidly recovered from its many months illness, and is in the enjoyment of good health, although it is somewhat thin. I mention those two cases to you to show you the success that is following the introduction of the Bitters in the New England States.

Enclosed find my check for \$150, amount of last bill. Be sure and send Bitters as soon as possible.

MESSIS. S. B. HARTMAN & Co.

DEAR SIR: While working at Norris'
Locomodive Works, two years ago, I was injured by. a heavy frame falling on myright hand, which was so injured as to be rendered entirely useless, the wrist was as it were bent—completely beut. I went to several physicians, who told no ball I could never recover the use of the hand. One of them wanted to remove some of the bones of the wrist, but I did not consent. I was unable to work for over a year, and having a family; my former earnings were rapidly disappearing; I found that it was useless for me to continue under their treatment, as I was not improving; and by the advice of my friends went to Dr. Mishler and commenced the use of the Herb Bitters, both internally and externally. By the time I had used two bottles I found I was receiving benefit. Continuing, I still improved, my hand regained its power, and I am now able to work. It is not yet quite as strong as formerly, but I am using it at work, and it is steadily improving. Mishler's Herb Bitters was the only thing that gave me relief. Its effects in my case, was almost instantaneous.

DR. S. B. HARTMAN & CO.

DR. S. B. HARTMAN & CO.

On February 21st, there appeared on my leg below the knee, a small yellow pimple apparently containing matter; it was rather, painful, but being of so trifling a nature, at first I took no notice of it, but on the second day it had spread to such an extent that I was laid up, unable to get about. It continued spreading until my leg was one large sore from the knee to the ankle, discharging all the time and causing intense pains. I in the meantime was undergoing treatment at the hands of an eminent physician who could do nothing for me. I also tried a great number of private remedies that were recommended, but of no avail. I concluded to take no more medicine, but was persuaded by Mr. Elias Williams, a native of your city, to give your Herb Bitters at least a trial. To gratify him I consented, though I had not the least hope of receiving benefit from him. The disease had affected my entire system, and I had made up my-mind to die. After using your Bitters a short time, I experienced a change; the effect of the medicine was apparent and affected my entire system. At first I thought it made me worse, but at the urgent solicitation of my friends I persevered in its use, and am pleased to say that now after using nine bottles I am; I may say, well. The sores on my leg are all healed, there is no running, the holes have all filled out with new ilesh; and certain amount of tenderness in the parts that were affected is all that remains of the disease. I had doctored for over two months, and could obtain no relief. Many persons are cognizant of these facts, as I am well known here, having for some time been inspector of ties for the Pen'a R. R. Co. My recovery I attribute solely to the use of Mishler's Herb Bitters, and cannot sufficiently express my sense of the merits of your preparation; with my thanks, I am, sir, yours. Very respectfully.

I, the undersigned, do hereby certify that the above statement is correct.

DR. S. B. HARTMAN & Co.

DEAR SIR: This is to certify that I have been alllicted for the past seven years with Scrofula on both arms and legs. I have doctored with the most celebrated physicians of the country, and all availed nothing. The itching became intolerable, especially so at night, so much so as to prevent ine from sleeping. I was recommended by a young man in the capitol to try your CELEBRATED HERB BITTERS. I tried only two bottles, and the relief has been so gratifying that I have no hesitation in saying that a few more will make a perfect cure-yours, respectfully. ILARRY ETTER.
