Give Us this Day Our Daily Bread.

In a miserable cottage at the bottom of a hill, two children hovered over a smoul-

MISHLER'S BITTERS. TO MORE CHANCE TO ADUL-MISHLER'S HERB BITTERS IT CAN BE PROCURED OF ALL DRUGGISTS. In making the above change, and discontinuing entirely the sale of Mishler's Herb Bitters in bulk, the proprietors deem that the people should be informed of the causes which called forth such action on their part. Bitters in bulk, the proprietors deem that the people should be informed of the causes which called forth such action on their purt.

In the first place, we hold that Misbler's Herb Bitters is not a boverage; we never intended it to be used as a beverage, but that it is a medicinal preparation of various herbs, &c., compounded upon scientific principles, and in exact accordance with the formulæ of the pharmacopœia in the preparation of the tinctures, &c., compound tincture of eighteen different Herbs, &c., and, as far as possible removed, and differing from the many so called Tonics. Bitters, Cordials, Stomachies, which, for the most part, are nothing but so many disguises assumed by whisky, and as for the most part composed of the major portion of the very vilest quality of that article, flavored with some strong drugs to destroy the nansea of the same, in order to tickle the palate, minister to a depraved taste and afford a plausible excuse for persons to drink whisky under a different name.

Mishler's Herb Bitters has been sold in bulk. In this particular it has been unfortunate, for it had thus been placed directly in contact with the above mentioned, and although its intrinsic merit and sterling worth has enabled it to sustain, its high character, yet the people have naturally a certain distrust of the article when it is found to be classed in the same category, with a number of whisky preparations, bar drinks, and beverages.

This is the one great advantage against which Mishler's Herb Bitters has to contend, but there is still amother—The demand for it has caused many unprincipled persons, who are not content with the profit derived in a legitimate manner from its sale, TO INCREASE THEIR GAINS BY ADULTERATION. They will purchase, perhaps, a barrel, and by the admixture of cheap whisky and water, increase the quantity, making perhaps, two, or it may be three barrels of the counterfeit, from a single barrel of the genuine, thus abusing the confidence of their customers, injuring their health, and it is lik

thereby, besides doing injuring the reputation of the article.

This is the most serious objection, but there is still another.—Our desire to have this preparation for sale on the shelves of every druggist, and country store dealer, thus placing it within easy access of all clesses and every section of the country. If the Bitters are sold in bulk, it is retailed principally at hotels, restaurants and taverns, so that druggists and merchants cannot safely, and profitably sell it to their customers. At the hotels the Bitters is oftimes fearfully adulterated; while whea in bottles, it is impossible to tamper with the medicine without fear of detection. In hotels it must be sold as a beverage; which is not the object of its manufacture, while has a medicine, securely sealed in a proper sized bottle, the Bitters can be retailed from the counter of overy druggist and merchant in the accounter. he counter of every druggist and merchant in the country.

MISHLER'S HERB BITTERS ARE NOW ONLY SOLD IN BOTTLES. Let this fact be remembered by the public, who may consider all other preparations sold in bulk, and under its name as base and worthless counterfeits. A PART OF TO-DAY'S MAIL.

Dr. S. E. HARTMAN & Co.

GENTS. Please send me, immediately, my usual: complement of your Bitters, as what I have on hand is going off rapidly, and will soon be exhausted.

I have been very successful in curing with the Bitters a very distressing case of Scrofula. The patient is a young man who was afflicted with the disease for years. Five bottles of the Bitters, with one of green label, cured him entirely.

You have not recommended your Bitters for worms in children, but from a case that has passed through my, hands, I am satisfied that MISHLER'S HERR BITTERS can be relied on as a specific in such disorders. The facts of the case are as follows: A gentleman, whose wife had been using the Bitters, has a child of about six years of age, who was sadly afflicted with worms and reduced to a mere skeleton. Quite a number of our prominent physicians prescribed for the child, but without avail. The gentleman finally concluded to try your Bitters, and commenced giving the child a half teaspoonful three times per day. On the third day of this treatment the Bitters caused trouble with the worms, and the father says it fairly frightened him to see the immense number of worms that passed from his little sufferer. The child has rapidly recovered from its many months illness, and is in the enjoyment of good health, although it is somewhat thin. I mention these two cases to you to show you the success that is following the introduction of the Bitters in the New England States.

Enclosed find my check for \$150, amount of last bill. Be sure and send Bitters as soon as possible.

MESSRS. S. B. HARTMAN & Co.

DEAR SIR: While working at Norris' Locomotive Works; two years ago, I was injured by a heavy frame felling on my right hand, which was so injured as to be rendered entirely useless, the wrist was as it were bent—completely bent. I went to several physicians, who told me that I could never recover the use of the hand. One of them wanted to remove some of the bones of the wrist, but I did not consent. I was unable to work for over a year, and having a family, my former enrinings were rapidly disappearing; I found that it was useless for me to continue under their treatment, as I was not improving, and by the advice of my friends went to Dr. Mishler and commenced the use of the Herb Bitters, both internally and externally. By the time I had used two bottles I found I was receiving benefit. Continuing, I still improved, my, hand regained its power, and I am now able to work. It is not yet quite as strong as formerly; but I am using it at work, and it is steadily improving. Mishler's Herb Bitters was the only thing that gave me relief. Its effects in my case, was almost instantaneous.

Da.S. B. HARTMA & CO.
On February 21st, there appeared on my leg below the knee, a small yellow pimple apparently containing matter; it was rather painful, but being of so trifling a nature, at lirst I took no notice of it, but on the second day it had spread to such an extent that I was laid up, unable to get about. It continued spreading until my leg was one large sore from the knee to the ankle, discharging all the time and causing intense pains. I in the meantime was undergoing treatment at the hands of an eninent physician who could do nothing for me. I also tried a great number of private remedies that were recommended, but of no avail. I concluded to take no more medicine, but was persuaded by Mr. Elias Williams, a mative of your city, to give your Herb Bitters at least a trial. To gratify him I consented, though I had not the least hope of receiving benefit from him. The disease had anfected my entire system, and I had made up my mind to die. After using your Bitters a short time, I experienced a change; the effect of the medicine was apparent and affected my entire system. At first I thought it made me worse, but at the urgent solicitation of my friends I persevered in its use, and am pleased to say that now after using nine bottles I am, I may say, well. The sores on my leg are all healed, there is, no running, the holes have all filled out with new flesh; and a certain amount of tenderness in the parts that were affected is all that remains of the disease. I had doctored for over two months, and could obtain no relief. Many persons are cognizant of these facts, as I am well known here, having for some time been inspector of ties for the Peen'a R. R. Co. My recovery I attribute solely to the use of Mishler's Herb Bitters, and cannot sufficiently, express my sonse of the merits of your preparation; with my thanks, Fam; sir, yours.
